RE: DOCKET NO. 920260-TL - Comprehensive review of the revenue requirements and rate stabilization plan of Southern Bell Telephone and Telegraph Company.

Issue 1: Recommendation that BST's tariff reducing switched access rates by \$40 million, which was suspended at the July 30 Commission Conference, be approved on an interim basis, effective October 1, 1996, and should remain in effect until the Commission's final decision in this proceeding. Any changes to the switched access rates should be made on a going-forward basis. No refunds or credit mechanisms will be necessary.

APPROVED

Issue 2: Recommendation that this docket remain open pending resolution of the remaining issues.
