Docket No. 980657-WS - Application for amendment of Certificates Nos. 279-W and 226-S to add territory in Seminole County by Florida Water Services Corporation

Dear Mr. Gauthier:

I would like to take this opportunity to thank you for your assistance regarding your prefiled testimony on behalf of Public Service Commission staff in the above-referenced cases. Your cooperation has played an important role in the implementation of the Memorandum of Understanding between the Commission and Department of Community Affairs.

The hearings in Dockets Nos. 971638-SU and 980657-WS are scheduled to take place in Seminole County on July 7-8, 1999 and August 3-4, 1999, respectively. The specific locations and times of the hearings will be provided to you once that information is available. We will contact you if any of the parties request to depose you prior to the hearings. We would also like to schedule a meeting with you several weeks prior to the hearing dates in order to help you prepare for testifying at hearing.

You should have already received copies of your prefiled testimony in both dockets. It is my understanding that copies of the utility's applications are already on file with the Department of Community Affairs. Please let us know if we can provide you with any additional documentation that might be useful in your preparation as a witness in these cases.
