Re: Docket No. 010941-WS - Application for Certificates to Provide
Water and Wastewater Service in Osceola County by Kings Point
Utility, Inc.

Dear Mr. and Mrs. Moore:

Thank you for your letter dated July 14, 2001, regarding the application filed in the above-referenced docket. In your letter, you indicated that you object to any individual or association connected to the former Kings Point utility being given certification or authorization to operate the system that supplies water or that removes wastewater from your homes. According to the information provided in the application, at the time the City of Kissimmee became receiver of the utility, the utility systems were dismantled and interconnected to the City's systems. Currently, the utility only consists of a wastewater collection system including one lift station, and a water distribution system. Kings Point Utility, Inc. proposes to purchase potable water and wastewater service from the City of Kissimmee. Therefore, the City of Kissimmee will provide bulk water and wastewater service to the utility and the utility will provide these same water and wastewater services to you.

This Commission will consider your concerns when reviewing the application to determine if the granting of certificates to Kings Point Utility, Inc. is in the public interest. However, the Commission needs to know your intent regarding your objection to this application. If you choose to pursue the objection, a hearing will be scheduled in which you will be required to provide testimony and other evidence to support your protest. Although the Commission allows individuals to represent themselves at hearing, you may wish to hire an attorney to represent you.

Please advise this Commission by August 6, 2001, if you intend to pursue your objection and request a hearing. Your request should be made in writing and should be addressed to Blanca Bayo, Director, Division of Commission Clerk and Administrative Services, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850. If we do not hear

from you by August 6, 2001, we will assume that you do not wish to pursue a hearing and your letter will be placed on the correspondence side of the docket file in this case for informational purposes.
