Good morning Ruth. On 1/14/04, Fiscal sent me a copy of a letter from Timothy McVeigh advising he closed his business 12/31/02. He returned the 2003 RAF return, but no check. I wrote him a letter on 1/15/04 advising I could not find a previous request for cancellation and stated that if the \$50 for 2003 was postmarked by 1/30/04, we would open a docket. So, yes it is OK to open a docket with an effective date of 12/31/03.

Jackie, I will forward a copy of my file to you for your records.

Thanks.

Good morning.

I have a RAFs from company for 2003 with \$50 payment. There's a hand written note on the RAF form, "company closed 12/31/02. Please cancel certificate for 2004 and beyond".

Please let me know if I can open a docket for this company's request. Thanks, Paula.
