**Subject:** Request for Oral Modification on Item 9 - Sebring Gas

Good Afternoon,

We would like to make an oral modification to Item 9 - Sebring Gas Petition to Convert Remaining Sales Customers to Transportation Service. In the body of the recommendation, staff recommends that Sebring file a report to the Commission within 90 days prior to the conclusion of the initial period of the program. This language was not included in the Recommendation statement. Staff believes this language should be included in the Recommendation statement and seeks permission to modify the recommendation statement to include such language.

Our proposed Recommendation statement for Issue 1 is as follows: (additional language is underscored)

Recommendation: Yes. The Commission should approve Sebring's petition for authority to convert all remaining sales customers to transportation service and to exit the merchant function on an experimental basis, effective February 17, 2004, the date of the Commission's vote on this matter. Further, staff recommends that Sebring be required to file a report with the Commission 90 days prior to the conclusion of the initial period of the program. The report would contain information regarding customer acceptance, an assessment of Sebring's capability to expand the program, and
