Okay.

I'll put this e-mail in the docket as a record.

Hi, Kay and Hong! Initially, the above docket was opened for a request for a name change from Electric Lightwave, Inc. to Electric Lightwave, LLC. The "Inc." company withdrew it's application from corporations and the "LLC" started a new company. An IXC packet has been sent for the "LLC" to apply for IXC registration. Once that application comes in, I would like to use this same docket number if it is possible.
