Issue 2: What is the appropriate implementation date for the surcharge set forth in the Stipulation?

Recommendation: The proposed surcharge should apply to meter readings taken on or after 30 days from the date of the Commission's vote. Assuming that the Commission votes to approve the Stipulation on March 1, 2005, the surcharge should begin to be applied to meter readings on or after March 31, 2005. If the Commission's order approving the Stipulation is timely protested by a person whose substantial interests are affected by the Commission's decision, the surcharge should remain in effect with all revenues held subject to refund pending the Commission's final order.

Issue 3: If the Commission approves the proposed storm damage Stipulation and Settlement, should Gulf Power Company be required to file tariff revisions reflecting the storm damage surcharge recovery factors by rate class?

Recommendation: Yes. Gulf should be required to file the tariff revision for administrative approval.

**APPROVED**

Issue 4: Should this docket be closed?

Recommendation: If no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the order, this docket should be closed upon the issuance of a consummating order.
