We object to that part of the proposal, dealing with Bryan Way being included in in the expansion of MSM Utilities LLC.

The homeowners on Bryan Way are zoned Agriculture Estates - with homeowners all having septic.

Further, we have invested in excess of ten thousand dollars (\$10,000) in septic drainage and a well and water treatment to provide my family with quality drinking water.

We do not need such services or believe my neighbors on Bryan Way need them. Therefore we object to Bryan Way being included in the proposed addition.

Sincerely,  
Richard & Sarah O'Neill
