By Petition, MetroPCS California/Florida Inc. (MetroPCS) has requested permission to intervene in this proceeding. MetroPCS is licensed by the Federal Communications Commission to provide commercial mobile radio services in various parts of Florida. Metro PCS states that the purpose of this consolidated proceeding is to determine the appropriate rates, terms and conditions of the Transit Traffic Service Tariff filed by BellSouth Telecommunications, Inc. (BellSouth). MetroPCS asserts that, among other things, its interconnection agreement with BellSouth includes transit traffic. Thus, MetroPCS contends that the Commission's action in this case will substantially affect its interconnection agreement with BellSouth.

Having reviewed the Petition, it appears that MetroPCS' substantial interests may be affected by this proceeding because MetroPCS' interconnection agreement with BellSouth will be impacted by the decision in this case. Therefore, the Petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, MetroPCS takes the case as it finds it.
