Re: Docket No. 090323-TP

Dear Ms. Cole:

Please find attached to this letter a copy of an envelope and information which I obtained from the website. I had asked the Commission to keep me updated on Docket # 090323 with regard to rulemaking in that docket. I note that this letter was returned to you because of insufficient address. Please note that I believe that the problem is that your office has inadvertently utilized our P.O. Box Zip Code for our street address. I would appreciate it if you would review your records both in this docket and in the master commission directory and case management system to insure it is correct.

My proper mailing address is:

Ms. Holt:

For clarification, if you wish to change the contact information so that orders and notices in active Dockets 090323, 090168, 090161, and 080234 are sent to you, rather than to Mr. Leslie, we can do that in CMS (Case Management System). If you wish change the company's contact information in the listed current dockets and all future dockets that may be opened, that will require the change in MCD (Master Commission Directory). Per your request below, we will make the change in MCD. Please advise if that information changes. Thank you for your help.
