2. I have reviewed Revised Exhibit C and the documents that are included in Revised Exhibit A to FPL's First Request for Extension of Confidential Classification of Information Provided Pursuant to Audit No. 09-350-4-1 for which I am identified as the affiant. Such documents or materials that I have reviewed and which, in whole or in part, are asserted by FPL to be proprietary confidential business information, contain or constitute competitively sensitive information, the disclosure of which could impair the competitive business of the provider of the information. Specifically, some of the information contains information related payroll, pension and welfare rates. Additionally, information pertains to negotiated terms with third party vendors for equipment and services related to FPL's implementation of demand side management and conversation programs. Some documents contain customer-specific account information, which if disclosed would impair FPL's competitive interests or those of its vendors. AFFIDAVIT OF ROBERT J. MILLER

BEFORE ME, the undersigned authority, personally appeared Robert J. Miller who, being first duly sworn, deposes and says:

1. My name is Robert J. Miller. I am currently employed by Florida Power & Light Company ("FPL") as Lead Engineer, in the Transmission and Substation Department. 2. I have reviewed Revised Exhibit C, and the documents that are included in Revised Exhibit A to FPL's First Request for Extension of Confidential Classification of Information Provided Pursuant to Audit No. 09-350-4-1, for which I am listed as the affiant. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute contractual vendor data, such as pricing and terms, the disclosure of which would impair the efforts of FPL to contract for goods and services on favorable terms in the future, to the detriment of FPL and its customers.
