STAFF'S FIRST DATA REQUEST

Re: Docket No. 140070-EI - Petition for approval of voluntary solar partnership pilot program and tariff, by Florida Power & Light Company.

Dear Mr. John T. Butler:

By this letter, the Commission staff requests that Florida Power & Light Company (FPL) provide responses to the following data requests.

1. Please explain the differences and similarities between the proposed solar partnership (VSP) pilot program and FPL's terminated Sunshine Energy Program.
2. Referring to paragraph 13 of the petition, has FPL chosen any locations for the solar generation facilities that would be supported by this program? If yes, please state the locations and the kW size of the facilities to be built at the locations.
3. In regard to paragraph 15 of the FPL petition, will the \$200,000 contributed through the NEE Foundation be a one-time contribution or an annual contribution for the life of the VSP?
4. What is the anticipated life of the solar generation facilities that will be constructed pursuant to the VSP Program?
5. Paragraph 11 of the petition indicates that over the life of the pilot program, participants will cover FPL's net revenue requirements for the facilities in order that there will not be any remaining costs for the facilities to be borne by non-participating customers at the end of the program. If FPL chooses to terminate the VSP Program after the 3-year pilot, and there are remaining costs for the facilities, how will FPL ensure that those remaining costs are not being borne by non-participants?
6. Referring to paragraph 17 of the petition, please provide the basis for proposing to record below the line any portion of marketing and administrative expenses that exceed 20 percent (as opposed to a different percent threshold) of revenues collected.

7. Please explain the basis for proposing \$9 as the monthly contribution amount.
8. Referring to Exhibit B of the petition, please show and explain the calculation of the numbers shown for VSP program average rate base, depreciation, O&M, Other (property taxes, insurance), Estimated Voluntary Customer Contribution, and Estimated Fuel & Emissions Savings.
9. Please explain the note below the table in Exhibit B.

Please file the original and five copies of the requested information by Wednesday, May 21, 2014, with Carlotta Stauffer, Commission Clerk, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0850. Please feel free to call me at (850) 413-6187 if you have any questions.

Sincerely,

Martha C. Brown
