---

On August 2, 2016, in Docket No. 160180-TP, BellSouth Telecommunications, LLC d/b/a AT&T Florida d/b/a AT&T Southeast filed a request for approval of amendment to the interconnection, unbundling, resale, and collocation agreement with Telrite Corporation. During the review of the amendment, staff determined a page might have been unintentionally omitted when it was filed with the Commission. After the attached email exchange with AT&T, staff is confident all pages in this amendment were filed.

Staff wishes to add the attached email to the above listed Docket for future reference.

Chip,

I'm reviewing this filing and it appears page two of the pricing sheets is missing. The footer on the last page of the PDF indicates it is page 1 of 2. Can you shed some light on this?
