

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : David cornell

Electric Utility Provider : EI801 - Duke Energy

Zip Code : 33708

Category : Other

Comments : Greetings Florida Public Service Commission,

Progress Energy (Duke) is so unreliable here in Madeira Beach (33708), we lose power at least 10 to 20 times a year. Generally after a Storm (not during) and when there is no storm. When I'm working on my computer I have to save my work otherwise I might lose it at any time of the day.

For 10 years when we lived in Gulfport (33707) we hardly ever lost power. The power situation is pretty bad in Madeira Beach.

Sincerely

David Cornell
