Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm frustrated that Florida Power & Light received a massive tax cut and is passing those savings to shareholders rather than its customers. Customers across the U.S. have enjoyed lower bills as a result of a tax savings. Floridians and FPL customers should too. Please direct your attention to this matter and work with FPL for fairness to the customers.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. Anthony Balzanto
