fpl rate increase

dear govenor, EVERYONE knows fpl is a cash cow for nextera. since nextera can't be regulated by florida because it is interstate, the whole purpose of the name change, we are going to get stuck with a 12 percent increase if this rate hike goes through. their primary fuel is natural gas which under trump the cost is going down not up. cost of living is starting to go down. we can't fix insurance and now crazy rate hikes. is any honest person left at the capital.
