Dear Florida Public Service Commissioners,

As a Florida Power & Light (FPL) customer, I strongly oppose the largest rate increase in U.S. History.

Public Utility Shareholders are guaranteed a return on their investment, which is to be SMALLER than the average return on investment in exchange for the MONOPOLY they enjoy. That is a basic economic fact.

As the Commissioners overseeing this utility, it is your OBLIGATION to see that the return on investment is indeed SMALLER, or end the monopoly.

Please stand up for Floridians and say NO to this massive rate hike.

Thank you for your time and consideration.

Sincerely,

Richard Burt
