**Subject:** Email address for new docket

Good afternoon, Mr. Shoaf,

The Florida Public Service Commission has received a petition of St. Joe Natural Gas Company, Inc., from atty Beth Keating at Gunster Law Firm, for approval of tariff changes to implement a temporary surcharge to recovery regulatory asset. In setting up the new docket it was noted that the email address shown for you in the petition is [sshof@stjoegas.com](mailto:sshof@stjoegas.com) while our records show your email address as [andy@stjoegas.com](mailto:andy@stjoegas.com). Please advise which email is appropriate for this new docket.

Additionally, please go to the Commission's website at [www.floridapsc.com](http://www.floridapsc.com) and navigate to *Clerk's Office* then *Change of Regulated Utility Contact Information*, search for your company and review the information to see if any contact information should be updated. If so, please edit the information and submit the form, and we'll make the necessary changes.

Thank you for your help.

Kind regards,

*Dorothy Menasco*
