In re: Petition by Florida Power & Light
Company for Base Rate Increase

Docket No. 20250011-EI

Date: June 12, 2025

**FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR CONFIDENTIAL
CLASSIFICATION OF INFORMATION PROVIDED IN ITS RESPONSE TO
THE STAFF OF THE FLORIDA PUBLIC SERVICE COMMISSION'S
FOURTEENTH SET OF INTERROGATORIES (No. 142)**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") hereby requests confidential classification of certain documents and information provided in its Response to the Staff of the Florida Public Service Commission's ("Staff") Fourteenth Set of Interrogatories (No. 267) ("Confidential Information"). In support of its request, FPL states as follows:

1. FPL served its Responses to Staff's Fourteenth Set of Interrogatories (No. 267) on June 12, 2025. Consistent with Rule 25-22.006, Florida Administrative Code, this request is being filed contemporaneously with the service of those responses to request confidential classification of certain information contained therein.

2. The following exhibits are attached to and made a part of this Request:

- a. Exhibit A consists of a copy of the confidential documents on which all information that FPL asserts is confidential has been highlighted.
- b. Exhibit B is a redacted version of the confidential documents.
- c. Exhibit C is a table that identifies the information for which confidential treatment is being sought and references the specific statutory basis for the claim of confidentiality and identifies the declarant who supports the requested classification.

d. Exhibit D consists of the declaration of Michael V. Cashman in support of this Request.

3. FPL submits that the Confidential Information is intended to be and has been treated and maintained by FPL as confidential business information, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, Florida Statutes, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As described more fully in the declaration included in Exhibit D, the Confidential Information contains information relating to FPL's competitive interests, the disclosure of which would impair the competitive business of FPL. Specifically, the documents contain fuel price forecasts, which if made public could impact fuel prices paid by FPL to the detriment of its customers. This information is protected by Section 366.093(3)(e), Florida Statutes.

5. Upon a finding by the Commission that the Confidential Information is proprietary and confidential business information, the information should not be declassified for at least eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* Section 366.093(4), Florida Statutes.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted this 12th day of June, 2025,

By: s/Maria Jose Moncada

In re: Petition by Florida Power & Light

Docket No. 20250011-EI

DECLARATION OF MICHAEL V. CASHMAN

1. My name is Michael V. Cashman. I am currently employed by Florida Power & Light Company ("FPL") as Executive Director, Wholesale Operations and Trading. I have personal knowledge of the matters stated in this declaration.

2. I have reviewed Exhibit C and the documents that are included in FPL's Request for Confidential Classification of Information contained in its response to Staff's Fourteenth Set of Interrogatories, No. 267, for which I am identified as the declarant. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute information relating to competitive interests, the disclosure of which would impair the competitive business of FPL. Specifically, the documents contain fuel price forecasts, which if made public could impact fuel prices paid by FPL to the detriment of its customers. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Under penalties of perjury, I declare that I have read the foregoing declaration and that the facts stated in it are true to the best of my knowledge and belief.

Michael V. Cashman
