Electric rate increase

### Message

Will Teco electric co. rates increase because of tariff debates with Canada? It is owned by Canadian company, does ownership by another country factor in? Also Teco just raised our rates. I am retired. live in Hillsborough Co. on fixed income can't afford any other increase, including the one we just got. Also, they will not bury lines, I live in an older now lower middle class neighborhood, we are never on an upgrade list. I pray for you and Casey daily.
