Good Afternoon,

My name is Barbara Ann Heegan, President & CEO of the Port Orange South Daytona Chamber of Commerce, proudly representing over 600 members. We are proud to express our strong support for Florida Power & Light (FPL) as a valued and dependable community partner. Their customer service has consistently been exceptional, and we are fortunate that both of our local Chamber offices have never experienced any service interruptions.

FPL is not only a reliable utility provider but also an active, engaged member of our Chamber. Leaders like Linda Webster and Tony Tucci exemplify FPL's commitment to community involvement. They are frequent attendees at our events and are always willing to lend their time, talent, and support to local initiatives—making a meaningful, lasting impact on the quality of life in our region.

While rate increases are a reality across many industries, we understand and appreciate the value FPL delivers. We fully support their continued investment in infrastructure, innovation, and the future of our community.

Respectfully,

Barbara Ann Heegan, MBA

President & CEO

Port Orange South Daytona Chamber of Commerce
