SUBJECT: DOCKET 20250011

I would like to thank each of you for serving on the Florida Public Service Commission. I was on the FPSC Nomination Committee several years ago. I believe I have several of you during that process.

I am writing you to let you know how much we appreciate our partnership with FPL here in Manatee County.

As we went through three hurricanes last year, two of which were highly destructive in Manatee County. FPL was boots on the ground in our EOC during each of the storms. FPL assistance in our recovery was outstanding. Their ability to get the power on to the citizens of Manatee County in the time they did was nothing short of amazing.

FPL is also a partner in Manatee County's Light Up Manatee. This program provides street lighting in neighborhoods that have never been lit before. FPL is making neighborhoods safer and giving our citizens a sense of community.

FPL is a great company and an asset to Manatee County and the State of Florida.

Thank You for your time.
