Re: Docket No. 20250029-GU, Petition for Rate Increase by Peoples Gas System, Inc.

Dear Mr. Teitzman:

Attached for filing in the above docket is Peoples Gas System, Inc.'s ("Peoples") Composite Notice Exhibit regarding Peoples' compliance with the notice requirements set forth in Rule 25-22.0406, Florida Administrative Code ("F.A.C."). The Composite Notice Exhibit includes two affidavits and a set of newspaper affidavits of publications as follows:

1. Affidavit of Karen Bramley regarding Peoples' notice of its petition for a general rate increase and notice of a link on its website that provides electronic access to a synopsis of its rate request, pursuant to Rule 25-22.0406(2)(c) and (2)(d), F.A.C.;
2. Affidavit Rebecca Washington regarding Peoples' customer notices pursuant to Rule 25-22.0406(2)(e), (2)(f) and (5), F.A.C.;
3. Peoples' newspaper publication of display advertisement regarding service hearings pursuant to Rule 25-22.0406(6), F.A.C.

Thank you for your assistance in connection with this matter.

Sincerely,

A handwritten signature in blue ink that reads 'Malcolm N. Means'.

ATTORNEY

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for Rate Increase by Peoples  
Gas System, Inc.

DOCKET NO. 20250029-GU

**AFFIDAVIT OF KAREN BRAMLEY**

1. I, Karen Bramley, Director, Regulatory Affairs for Peoples Gas System, Inc., have personal knowledge of the matters stated in this affidavit.

2. Peoples Gas System, Inc. ("Peoples") filed a petition for general rate increase on March 31, 2025. That same day, Peoples notified the chief executive office ("CEO") of the governing body of each municipality and county within the service area included in the company's rate petition.

3. Peoples delivered this notification by an email message sent to each CEO's email address. These emails were sent with delivery receipt requested.

4. Peoples obtained a confirmation for each recipient indicating that delivery was complete. **Exhibit 1** lists each CEO, their email address, and whether Peoples received confirmation of delivery. **Exhibit 2** is a copy of the petition notification.

5. On May 9, 2025, Peoples posted the rate case synopsis on the company's website.

6. On May 9, 2025, Peoples provided the CEO of the governing body of each municipality and county with a link to the synopsis via email. These emails were also sent with delivery receipt requested. At the beginning of June, Peoples made revisions to pages 15 and 17 of the synopsis to enhance clarity.

7. On June 10, 2025, Peoples provided the CEO of the governing body of each municipality and county with a link to the revised synopsis via email. These emails were also sent with delivery receipt requested.

8. Peoples obtained a confirmation for each recipient indicating that delivery was complete. **Exhibit 3** lists each CEO, their contact information, and whether Peoples received confirmation of delivery of the original synopsis. **Exhibit 4** is a copy of the original synopsis notification. **Exhibit 5** is a copy of the original rate case synopsis. **Exhibit 6** lists each CEO, their contact information, and whether Peoples received confirmation of delivery of the revised synopsis. **Exhibit 7** is a copy of the revised synopsis notification. **Exhibit 8** is a copy of the revised rate case synopsis.

8. Under penalty of perjury, I declare that I have read the foregoing affidavit and that the facts stated in it are to the best of my knowledge and belief.

## EXHIBIT 2 - Petition Letter

March 31, 2025

Dear City Administrator,

Today, Peoples Gas System, Inc. formally filed a petition with the Florida Public Service Commission (PSC) (Docket No. 20250029-GU) to begin the several months-long process of requesting and receiving approval for an increase to our customer base rates and service charges for new rates effective Jan. 1, 2026, and another smaller adjustment effective Jan. 1, 2027.

Floridians are increasingly choosing natural gas for its cost effectiveness and reliability, particularly as severe weather events become more frequent and the demand for energy rises. Our distribution system provides safe and reliable natural gas service to residential, commercial, industrial customers and electric generators, as well as for the critical systems, businesses and institutions that we all depend on to remain reliable and resilient.

As Florida continues to grow, Peoples Gas is investing in our team, tools, and the maintenance and expansion of our system to better serve customers and communities across the state. We take our responsibility to deliver safe, dependable and affordable energy to our customers seriously, and that includes managing our business carefully while meeting their evolving expectations.

Peoples Gas is dedicated to delivering industry-leading customer service, supporting the communities we serve, and planning for the growing demand for energy in Florida. We acknowledge that there is never a good time to request rate relief and that our requested increase will have an impact on our customers. We do, however, believe that our proposed rates will reflect the value of natural gas to our customers and that the bills for our services will continue to be commensurate with the value our service provides. We're committed to growing and maintaining our system and being here when and where our customers need us most.

This letter is provided to you as required by Rule 25-22.0406 of the Florida Administrative Code, Notice and Public Information on General Rate Increase Requests. A copy of the petition and the MFRs can be accessed through the [PSC website](#). You may also access the petition and the MFRs on our website at [PeoplesGas.com/rates](#). A second communication, providing a synopsis of our request, will follow this letter in approximately 45 days.

Should you have any questions regarding this filing or the contents of the petition, please don't hesitate to contact me.

Sincerely,

DocuSigned by:

On March 31, 2025, Peoples Gas System Inc. filed a petition (Docket No. 20250029-GU) with the Florida Public Service Commission requesting a future increase in base rates.

The company has prepared a synopsis of the request as required by Rule 25-22.0406 of the Florida Administrative Code. Copies of the filing, including this synopsis, are available at [PeoplesGas.com/Filing](https://www.psc.state.fl.us/clerk-office-dockets-level2?DocketNo=20250029) and at <https://www.psc.state.fl.us/clerk-office-dockets-level2?DocketNo=20250029>.

Should you have any questions, please do not hesitate to contact me.

Thank you and best regards,

Sergio Abreu, Jr.

**BEFORE THE  
FLORIDA PUBLIC SERVICE COMMISSION**

**DOCKET NO. 20250029-GU**

**IN RE: PEOPLES GAS SYSTEM, INC.'S  
PETITION FOR AN INCREASE IN BASE RATES**

**SYNOPSIS OF RATE REQUEST**

THIS DOCUMENT IS PROVIDED BY PEOPLES GAS SYSTEM, INC. PURSUANT TO THE REQUIREMENTS OF RULE 25-22.0406, FLORIDA ADMINISTRATIVE CODE, NOTICE AND PUBLIC INFORMATION ON GENERAL RATE INCREASE REQUESTS

## **I. SUMMARY OF RATE CASE**

On March 31, 2025, Peoples Gas System, Inc. ("Peoples" or the "company") petitioned the Florida Public Service Commission ("Commission" or "PSC") for an increase in its permanent base rates and charges.

Under Florida law, the Commission regulates rates, miscellaneous service charges, and services provided by Florida investor-owned utilities. The Commission assigned Docket No. 20250029-GU to the case.

Peoples filed its test year letter on January 30, 2025, advising that, based on a review of the company's projected 2025 and 2026 financial performance, it must seek an increase in base rates to continue to meet the natural gas needs of existing and new customers, and continue to provide safe, reliable, and high-quality customer service.

Peoples' last rate case was filed in April 2023, with a final order issued in December 2023. In the two years since Peoples' last rate case, many factors have contributed to the necessity for the company to now seek rate relief, including (1) growth in rate base as the company keeps up with growing customer demand; (2) higher depreciation and property tax expense associated with rate base growth; (3) increasing costs associated with safely operating the company's system and complying with federal safety and security requirements; (4) higher prices in the costs of labor, contractors, materials, insurance, and healthcare benefits; and (5) modifications in Rate Design and Cost-of-Service.

Peoples has requested an increase of \$103,591,089 in base revenues, which includes approximately \$6.7 million of 2026 revenue requirements related to moving approximately \$53.4 million of net Cast Iron/Bare Steel Replacement Rider investments made through December 31, 2025, into rate base. The result is a net revenue increase of \$96,857,794. This proposed increase would be effective with the first billing cycle in January 2026. To mitigate the need for an additional rate relief request to be filed in 2026, the company seeks a subsequent year base rate adjustment of approximately \$26.7 million effective with the first billing cycle for January 2027.

Peoples also proposes closing its RS-1 billing class to new customers and merging its RS-2 and RS-3 billing classes into one billing class.

The petition and direct testimony of Peoples' witnesses provide a more complete description of Peoples' request. The detailed data supporting the request are contained in the Minimum Filing Requirement Schedules ("MFRs"), all of which were submitted to the Commission in the proceeding. An Executive Summary of the case is included in the A Schedules of the MFRs and in Exhibit A to this synopsis. A bill comparison showing the current monthly rates and the proposed monthly rates is contained in Exhibit B.

A copy of Peoples' entire rate request filing with the Commission, including a complete set of MFRs, is available for inspection at [www.peoplesgas.com/rates/our-rate-request](http://www.peoplesgas.com/rates/our-rate-request).

## **II. COMPARISON OF THE PRESENT AND PROPOSED RATES FOR CUSTOMER RATE CLASSES**

Under Peoples' proposal, customer classes will receive bill increases when the proposed new rates are put into effect on and after the first cycle billing periods in January 2026 and January 2027.

Based on the current rates and projections for fuel and the other clauses, Peoples' typical monthly residential bill (RS-2) under its proposed rates for 14 therms will increase to approximately \$60.00 for about a 27 percent increase for 2026 and approximately \$62.00 or about a 3.0 percent increase for 2027.

The current bills are calculated using the purchased gas adjustment cap rate for fuel and the current rates for the other clause charges and base rate charges. The proposed bills are also calculated using the purchased gas adjustment cap rate for fuel and current rates for other clause charges and adjusted for the proposed base rate changes.

Attached to this synopsis as Exhibit B are the current and proposed residential and commercial rates.

### **MAJOR RATE CASE ISSUES**

At the start of a general base rate case, it is not possible to anticipate all the issues that may arise, but potential major revenue requirement issues involved in the case could include:

1. Are the company's test year and sales forecasts reasonable?
2. What should be the value of the company's test year investment in rate base?
3. What should be the company's test year operating revenues?
4. What should be the company's test year operating expenses?
5. What should be the company's test year overall rate of return?
6. What should be the company's test year allowed rate of return on equity?
7. What will be the company's test year revenue deficiency?
8. What is the appropriate cost-of-service methodology to use in designing rates?
9. What will be the appropriate rate levels for each customer class of service?
10. What will be the appropriate charge for each miscellaneous service?
11. Should the Commission approve the proposed subsequent year adjustment of \$26.7 million effective with the first billing cycle for January 2027?

The specific issues in the case will be identified in a prehearing order issued prior to the hearing.

### **III. DESCRIPTION OF THE RATE CASE PROCESS**

All public utilities, as defined in Section 366.02, Florida Statutes, must petition the Commission to increase their rates to retail customers. After filing the request, the Commission has eight months to conduct the case and twelve months to take final action in the case. The filing to request a base rate increase consists of the petition, direct testimony, and exhibits from the company witnesses and the MFRs, which are an extensive set of documents containing detailed data in support of the rate increase, including figures about a utility's costs, investment, and operations for the specified test year. The information is distributed to the Commissioners, the Public Service Commission staff, the Office of the Public Counsel ("Public Counsel"), and other parties who express interest or intervene in the case.

After a utility files a rate case, the discovery process begins. During the process, the utility responds to requests for information, known as interrogatories, and requests to produce documents from the Commission staff and the parties, including intervenors, in the case. The Commission staff performs a field audit of the company's filed data to ensure compliance with Commission rules and the accuracy of the information provided. Formal depositions (interviews) with company witnesses may also be conducted to gather information and better identify issues.

Intervenors in the case often present their witnesses, testimony, and exhibits in response to the company's filing. They use the company's initial filing materials and discovery responses as a basis for their positions in the case. The parties, their witnesses, testimony, and exhibits are also subject to discovery. The company will then have the opportunity to present rebuttal testimony and exhibits to any intervenors who file testimony.

Toward the end of the discovery process and just before the technical hearing commences, the company, staff, and intervenors prepare issue lists and preliminary positions for the case. These lists of issues are then combined and narrowed in a Prehearing Order to help the Commission focus on the important facets of the case during the hearing.

The first hearings in a rate case – called "service hearings" – generally commence a few months after filing and are scheduled by the Commission. Service hearings allow customers to provide testimony on the utility's rate request and its quality of service. The Commission takes these views into account when ruling on the case. Customers may register to speak at the virtual service hearings in one of the following ways: (1) register using the PSC's online registration form, which will be available at [www.FloridaPSC.com](http://www.FloridaPSC.com), under the "Hot Topics" heading, (2) Call the PSC (850) 413-7080, or (3) email [speakersignup@psc.state.fl.us](mailto:speakersignup@psc.state.fl.us) Online registration for the virtual service hearing will open on June 30, 2025, at 9:00 a.m. and close on July 10, 2025, at noon. One day prior to the virtual service hearing, customers will be emailed further instructions on how to participate. Customers who wish to speak at the in-person service hearings may register upon arrival at the venue. Online registration is not available for in-person service hearings. Please note that the order in which customers speak is based upon the order in which they sign up. If you have questions about the sign-up process, please call (850) 413-7080.

The Commission has scheduled the following service hearings in this case:

<b>Virtual*</b> July 14, 2025 at 1:00 p.m. Betty Easley Conference Center Room 148 4075 Esplanade Way Tallahassee, FL 32399	
<b>In-Person*</b> July 16, 2025 at 10:00 a.m. Anne Kolb Nature Center – Mangrove Hall (Hollywood North Beach Park) 751 Sheridan Street Hollywood, FL 33019	<b>In-Person</b> July 17, 2025 at 2:00 p.m. Valencia Community College West Campus 1800 South Kirkman Road Orlando, FL 32811

\*Spanish Interpreter Available

The service hearing dates and times will be published in newspapers of general circulation in the Company's service areas and will also be available on the Company's website at [www.peoplesgas.com/rates](http://www.peoplesgas.com/rates).

The Office of Public Counsel has intervened in this docket and will be present at the service hearings to represent the public. Public Counsel may be contacted prior to the hearing at 111 West Madison Street, Suite 812, Claude Pepper Building, Tallahassee, Florida 32399-1400, or by phone at (800) 342-0222.

The next hearing in a rate case is a technical hearing. At this hearing, the legal "record" is further established for deciding the case through direct, rebuttal, and cross-examination testimony, and the introduction of exhibits and other relevant evidence. The technical hearing in this case will be held on September 8-11, 2025, at the Betty Easley Conference Center, Room 148, located at 4075 Esplanade Way in Tallahassee, Florida.

After the technical hearing, the parties file legal briefs summarizing their positions. The Commission staff reviews the briefs and the record produced at the hearing and provides a written staff recommendation to the Commission that addresses each issue identified in the case.

The Commission holds a Special Agenda Conference and votes on the total amount of costs to be recovered annually through customer rates and service charges (revenue requirements); a Commission vote on the rates will be made on a subsequent date. After the votes, Commission attorneys prepare a final order that reflects the Commission's votes and provides background for the case, the basis for each of the decisions reached, the newly approved rates, and the effective dates of the new rates. After the Commission order is issued, parties will have an opportunity to ask the Commission to reconsider its decision on the issues.

**Date:** Tuesday, June 10, 2025 3:11:44 PM

---

Good afternoon,

On March 31, 2025, Peoples Gas System Inc. filed a petition (Docket No. 20250029-GU) with the Florida Public Service Commission requesting a future increase in base rates.

In May, the company provided you with a synopsis of the request as required by Rule 25-22.0406 of the Florida Administrative Code. However, revisions have been made on pages 15 and 17 to enhance clarity, and the company is re-issuing the synopsis. Copies of the filing, including this synopsis, are available at [PeoplesGas.com/Filing](#) and at <https://www.psc.state.fl.us/clerks-office-dockets-level2?DocketNo=20250029>.

Should you have any questions, please do not hesitate to contact me.

Thank you and best regards,

Sergio Abreu, Jr.

**BEFORE THE  
FLORIDA PUBLIC SERVICE COMMISSION**

**DOCKET NO. 20250029-GU**

**IN RE: PEOPLES GAS SYSTEM, INC.'S  
PETITION FOR AN INCREASE IN BASE RATES**

**SYNOPSIS OF RATE REQUEST**

THIS DOCUMENT IS PROVIDED BY PEOPLES GAS SYSTEM, INC. PURSUANT TO THE REQUIREMENTS OF RULE 25-22.0406, FLORIDA ADMINISTRATIVE CODE, NOTICE AND PUBLIC INFORMATION ON GENERAL RATE INCREASE REQUESTS

## **I. SUMMARY OF RATE CASE**

On March 31, 2025, Peoples Gas System, Inc. ("Peoples" or the "company") petitioned the Florida Public Service Commission ("Commission" or "PSC") for an increase in its permanent base rates and charges.

Under Florida law, the Commission regulates rates, miscellaneous service charges, and services provided by Florida investor-owned utilities. The Commission assigned Docket No. 20250029-GU to the case.

Peoples filed its test year letter on January 30, 2025, advising that, based on a review of the company's projected 2025 and 2026 financial performance, it must seek an increase in base rates to continue to meet the natural gas needs of existing and new customers, and continue to provide safe, reliable, and high-quality customer service.

Peoples' last rate case was filed in April 2023, with a final order issued in December 2023. In the two years since Peoples' last rate case, many factors have contributed to the necessity for the company to now seek rate relief, including (1) growth in rate base as the company keeps up with growing customer demand; (2) higher depreciation and property tax expense associated with rate base growth; (3) increasing costs associated with safely operating the company's system and complying with federal safety and security requirements; (4) higher prices in the costs of labor, contractors, materials, insurance, and healthcare benefits; and (5) modifications in Rate Design and Cost-of-Service.

Peoples has requested an increase of \$103,591,089 in base revenues, which includes approximately \$6.7 million of 2026 revenue requirements related to moving approximately \$53.4 million of net Cast Iron/Bare Steel Replacement Rider investments made through December 31, 2025, into rate base. The result is a net revenue increase of \$96,857,794. This proposed increase would be effective with the first billing cycle in January 2026. To mitigate the need for an additional rate relief request to be filed in 2026, the company seeks a subsequent year base rate adjustment of approximately \$26.7 million effective with the first billing cycle for January 2027.

Peoples also proposes closing its RS-1 billing class to new customers and merging its RS-2 and RS-3 billing classes into one billing class.

The petition and direct testimony of Peoples' witnesses provide a more complete description of Peoples' request. The detailed data supporting the request are contained in the Minimum Filing Requirement Schedules ("MFRs"), all of which were submitted to the Commission in the proceeding. An Executive Summary of the case is included in the A Schedules of the MFRs and in Exhibit A to this synopsis. A bill comparison showing the current monthly rates and the proposed monthly rates is contained in Exhibit B.

A copy of Peoples' entire rate request filing with the Commission, including a complete set of MFRs, is available for inspection at [www.peoplesgas.com/rates/our-rate-request](http://www.peoplesgas.com/rates/our-rate-request).

## **II. COMPARISON OF THE PRESENT AND PROPOSED RATES FOR CUSTOMER RATE CLASSES**

Under Peoples' proposal, customer classes will receive bill increases when the proposed new rates are put into effect on and after the first cycle billing periods in January 2026 and January 2027.

Based on the current rates and projections for fuel and the other clauses, Peoples' typical monthly residential bill (RS-2) under its proposed rates for 14 therms will increase to approximately \$60.00 for about a 27 percent increase for 2026 and approximately \$62.00 or about a 3.0 percent increase for 2027.

The current bills are calculated using the purchased gas adjustment cap rate for fuel and the current rates for the other clause charges and base rate charges. The proposed bills are also calculated using the purchased gas adjustment cap rate for fuel and current rates for other clause charges and adjusted for the proposed base rate changes.

Attached to this synopsis as Exhibit B are the current and proposed residential and commercial rates.

### **MAJOR RATE CASE ISSUES**

At the start of a general base rate case, it is not possible to anticipate all the issues that may arise, but potential major revenue requirement issues involved in the case could include:

1. Are the company's test year and sales forecasts reasonable?
2. What should be the value of the company's test year investment in rate base?
3. What should be the company's test year operating revenues?
4. What should be the company's test year operating expenses?
5. What should be the company's test year overall rate of return?
6. What should be the company's test year allowed rate of return on equity?
7. What will be the company's test year revenue deficiency?
8. What is the appropriate cost-of-service methodology to use in designing rates?
9. What will be the appropriate rate levels for each customer class of service?
10. What will be the appropriate charge for each miscellaneous service?
11. Should the Commission approve the proposed subsequent year adjustment of \$26.7 million effective with the first billing cycle for January 2027?

The specific issues in the case will be identified in a prehearing order issued prior to the hearing.

### **III. DESCRIPTION OF THE RATE CASE PROCESS**

All public utilities, as defined in Section 366.02, Florida Statutes, must petition the Commission to increase their rates to retail customers. After filing the request, the Commission has eight months to conduct the case and twelve months to take final action in the case. The filing to request a base rate increase consists of the petition, direct testimony, and exhibits from the company witnesses and the MFRs, which are an extensive set of documents containing detailed data in support of the rate increase, including figures about a utility's costs, investment, and operations for the specified test year. The information is distributed to the Commissioners, the Public Service Commission staff, the Office of the Public Counsel ("Public Counsel"), and other parties who express interest or intervene in the case.

After a utility files a rate case, the discovery process begins. During the process, the utility responds to requests for information, known as interrogatories, and requests to produce documents from the Commission staff and the parties, including intervenors, in the case. The Commission staff performs a field audit of the company's filed data to ensure compliance with Commission rules and the accuracy of the information provided. Formal depositions (interviews) with company witnesses may also be conducted to gather information and better identify issues.

Intervenors in the case often present their witnesses, testimony, and exhibits in response to the company's filing. They use the company's initial filing materials and discovery responses as a basis for their positions in the case. The parties, their witnesses, testimony, and exhibits are also subject to discovery. The company will then have the opportunity to present rebuttal testimony and exhibits to any intervenors who file testimony.

Toward the end of the discovery process and just before the technical hearing commences, the company, staff, and intervenors prepare issue lists and preliminary positions for the case. These lists of issues are then combined and narrowed in a Prehearing Order to help the Commission focus on the important facets of the case during the hearing.

The first hearings in a rate case – called "service hearings" – generally commence a few months after filing and are scheduled by the Commission. Service hearings allow customers to provide testimony on the utility's rate request and its quality of service. The Commission takes these views into account when ruling on the case. Customers may register to speak at the virtual service hearings in one of the following ways: (1) register using the PSC's online registration form, which will be available at [www.FloridaPSC.com](http://www.FloridaPSC.com), under the "Hot Topics" heading, (2) Call the PSC (850) 413-7080, or (3) email [speakersignup@psc.state.fl.us](mailto:speakersignup@psc.state.fl.us) Online registration for the virtual service hearing will open on June 30, 2025, at 9:00 a.m. and close on July 10, 2025, at noon. One day prior to the virtual service hearing, customers will be emailed further instructions on how to participate. Customers who wish to speak at the in-person service hearings may register upon arrival at the venue. Online registration is not available for in-person service hearings. Please note that the order in which customers speak is based upon the order in which they sign up. If you have questions about the sign-up process, please call (850) 413-7080.

The Commission has scheduled the following service hearings in this case:

<b>Virtual*</b> July 14, 2025 at 1:00 p.m. Betty Easley Conference Center Room 148 4075 Esplanade Way Tallahassee, FL 32399	
<b>In-Person*</b> July 16, 2025 at 10:00 a.m. Anne Kolb Nature Center – Mangrove Hall (Hollywood North Beach Park) 751 Sheridan Street Hollywood, FL 33019	<b>In-Person</b> July 17, 2025 at 2:00 p.m. Valencia Community College West Campus 1800 South Kirkman Road Orlando, FL 32811

\*Spanish Interpreter Available

The service hearing dates and times will be published in newspapers of general circulation in the Company's service areas and will also be available on the Company's website at [www.peoplesgas.com/rates](http://www.peoplesgas.com/rates).

The Office of Public Counsel has intervened in this docket and will be present at the service hearings to represent the public. Public Counsel may be contacted prior to the hearing at 111 West Madison Street, Suite 812, Claude Pepper Building, Tallahassee, Florida 32399-1400, or by phone at (800) 342-0222.

The next hearing in a rate case is a technical hearing. At this hearing, the legal "record" is further established for deciding the case through direct, rebuttal, and cross-examination testimony, and the introduction of exhibits and other relevant evidence. The technical hearing in this case will be held on September 8-11, 2025, at the Betty Easley Conference Center, Room 148, located at 4075 Esplanade Way in Tallahassee, Florida.

After the technical hearing, the parties file legal briefs summarizing their positions. The Commission staff reviews the briefs and the record produced at the hearing and provides a written staff recommendation to the Commission that addresses each issue identified in the case.

The Commission holds a Special Agenda Conference and votes on the total amount of costs to be recovered annually through customer rates and service charges (revenue requirements); a Commission vote on the rates will be made on a subsequent date. After the votes, Commission attorneys prepare a final order that reflects the Commission's votes and provides background for the case, the basis for each of the decisions reached, the newly approved rates, and the effective dates of the new rates. After the Commission order is issued, parties will have an opportunity to ask the Commission to reconsider its decision on the issues.

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for Rate Increase by Peoples  
Gas System, Inc.

DOCKET NO. 20250029-GU

**AFFIDAVIT OF REBECCA WASHINGTON**

1. I, Rebecca Washington, Director, Customer Experience Revenue Operations for Tampa Electric Company have personal knowledge of the matters stated in this affidavit.

2. In my role as Director, Customer Experience Revenue Operations, I work on behalf of Tampa Electric Company and Peoples Gas System, Inc. ("Peoples") in a shared service capacity.

3. Peoples provided customer notices, approved by Commission Staff on May 5, 2025. The customer notice contains the following:

- A statement that Peoples has applied for a rate increase and the general reasons for the request;
- The locations at which copies of the MFRs and synopsis are available, including a link to the company's website;
- The time schedule established for the case, including the dates, times, and locations of the service hearings and technical hearings;
- A comparison of current rates and service charges and the proposed new rates and service charges;
- A statement that written comments can be sent to the Office of Commission Clerk; and
- A statement that comments regarding service may be made to the Commission's Office of Consumer Assistance and Outreach.

4. The notice also provided for the date, time, and location of the virtual service hearings and the purpose of those hearings.

5. The notice included a statement that any customer comments regarding Peoples' service or proposed rate increase should be addressed to the Office of Commission Clerk, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0850, and that such comments identifying 20250029-GU as the docket number assigned to this proceeding.

6. At the beginning of June, Peoples revised the notice to enhance clarity of the rate request. Commission Staff approved the revised customer notice on June 6, 2025. At the time of the revision, Peoples had already begun sending out customer notices to customers on cycles 1 – 5. Accordingly, customers on cycles 1 - 5 received a second customer notification that contained the revised customer notice and the rest of the billing cycles received the revised customer notification.

7. The notice was delivered to customers on June billing cycles 1 - 23 beginning on June 3 and ending on July 1 by the customer's preference for paper or paperless bills.

All notices were sent on or before July 4, 2025. Peoples' customers accordingly received these notices no less than 10 days and no more than 45 days before the first service hearing on July 14, 2025.

8. A copy of Peoples' original bill onsert notices is included as **Exhibit 1**.
9. A copy of Peoples' revised bill onsert notices is included as **Exhibit 2**.
10. A copy of the revised notices that paperless customers received that directed them to the electronic versions of the revised bill onserts is included as **Exhibit 3**.
11. The newspaper notice published on July 2, 2025, and the accompanying affidavits from the newspapers across Peoples' service area are included as **Exhibit 4**.
12. Under penalty of perjury, I declare that I have read the foregoing affidavit and that the facts stated in it are true to the best of information and belief.

# EXHIBIT 1 - Rate Case Customer Notifications

## Residential Version

### Notice of Rate Request and Customer Service Hearings

On March 31, 2025, Peoples Gas System filed a petition (Docket 20250029-GU) with the Florida Public Service Commission (PSC) requesting a future increase in base rates. The increase will vary by customer rate class and, if approved as filed, would likely take effect in January 2026.

Floridians depend on natural gas. As Florida grows, Peoples Gas must continue to make investments in our team, our tools, and the maintenance and expansion of our system to serve customers and communities across the state, particularly as energy resilience becomes increasingly important.

The decision to raise rates is not an easy one for us. There is never a good time for it, and we know increased prices are affecting everyone.

#### Hearings

The PSC has scheduled the following virtual and in-person public hearings to provide customers an opportunity to express their views on quality of service and the impact of the requested rate increase:

##### Virtual Hearing:

Monday, July 14, 2025 at 1 p.m.

##### In-Person Hearings:

Wednesday, July 16, 2025 at 10 a.m.  
Anne Kolb Nature Center - Mangrove Hall  
Hollywood North Beach Park  
751 Sheridan Street  
Hollywood, FL 33019

Thursday, July 17, 2025 at 2 p.m.  
Valencia Community College  
Health Science Building - Room 105  
1800 South Kirkman Road  
Orlando, FL 32811

A Spanish interpreter will be available during the virtual hearing on July 14 and the in-person hearing on July 16.

Customers may register to speak at the virtual service hearings in one of the following ways:

Since January 2023, the last time we requested to raise base rates, we have: expanded our network by adding approximately 1,260 miles of main and service lines to serve demand; connected thousands of customers to ways to save energy and money through our free energy audits and conservation programs; invested in the safety of the public and our system; and continued to be among the leading utilities in the nation for customer satisfaction and brand trust.

We take the responsibility to deliver safe, dependable and affordable energy to our customers seriously, and that includes managing our business carefully while meeting their evolving expectations.

Online registration for the virtual service hearings will open on June 30, 2025, at 9:00 a.m., and close at noon on July 10, 2025.

One day prior to the virtual service hearings, customers who signed up to speak will be provided further instructions from PSC staff on how to participate.

Customers who wish to speak at the in-person service hearings may register upon arrival at the venue. There will be no online signups for the in-person service hearings.

All persons who wish to comment, either virtually or in-person, are urged to appear promptly at the scheduled times because the service hearings may be adjourned early if no customers are present to testify or when those present have testified.

Please note that the order in which customers will speak is based on the order in which they register. If you have questions about the sign-up process, please call (850) 413-7080.

On Sept. 8 - 11, 2025, the PSC will conduct a technical hearing to allow Peoples Gas and other parties involved in the proceeding to present testimony and relevant evidence regarding the rate request.

## Notice of Rate Request and Customer Service Hearings

On March 31, 2025, Peoples Gas System filed a petition (Docket 20250029-GU) with the Florida Public Service Commission (PSC) requesting a future increase in base rates. The increase will vary by customer rate class and, if approved as filed, would likely take effect in January 2026.

Floridians depend on natural gas. As Florida grows, Peoples Gas must continue to make investments in our team, our tools, and the maintenance and expansion of our system to serve customers and communities across the state, particularly as energy resilience becomes increasingly important.

The decision to raise rates is not an easy one for us. There is never a good time for it, and we know increased prices are affecting everyone.

### Hearings

The PSC has scheduled the following virtual and in-person public hearings to provide customers an opportunity to express their views on quality of service and the impact of the requested rate increase:

#### Virtual Hearing:

Monday, July 14, 2025 at 1 p.m.

#### In-Person Hearings:

Wednesday, July 16, 2025 at 10 a.m.  
Anne Kolb Nature Center - Mangrove Hall  
Hollywood North Beach Park  
751 Sheridan Street  
Hollywood, FL 33019

Thursday, July 17, 2025 at 2 p.m.  
Valencia Community College  
Health Science Building - Room 105  
1800 South Kirkman Road  
Orlando, FL 32811

A Spanish interpreter will be available during the virtual hearing on July 14 and the in-person hearing on July 16.

Customers may register to speak at the virtual service hearings in one of the following ways:

- (1) Use the PSC's online registration form, which will be available at [www.FloridaPSC.com](http://www.FloridaPSC.com), under the "Hot Topics" heading.

Del 8 al 11 de septiembre de 2025, la PSC llevará a cabo una audiencia técnica para permitir que Peoples Gas y otras partes involucradas en el procedimiento presenten testimonios y pruebas pertinentes en relación con la solicitud de tarifas.

Para ver las audiencias de servicio al cliente en directo, visite [www.FloridaPSC.com](http://www.FloridaPSC.com) y haga clic en el enlace "Watch Live" (Ver en vivo). Quienes no tengan acceso a Internet, pueden llamar al (850) 413-7389 para escuchar las audiencias. Las personas con problemas de audición o del habla pueden comunicarse con la Comisión utilizando el Servicio de retransmisión de Florida llamando al 1-800-966-8771 (TDD).

#### **Propósito y procedimiento**

El propósito de estas audiencias de servicio al cliente será permitir que miembros del público, que no sean partes del procedimiento, den testimonio sobre la calidad de servicio de Peoples Gas System y el aumento solicitado en sus tarifas base y cargos por servicios misceláneos.

La compañía presentará un breve resumen de su caso y luego los miembros del público podrán presentar su testimonio por teléfono.

#### **Asesor Público**

El Asesor Público ha participado en este caso para representar a los clientes de Peoples Gas System y estará presente en las audiencias. El representante del Asesor Público puede ser contactado antes de las audiencias en [www.FloridaOPC.gov](http://www.FloridaOPC.gov) o por teléfono al 1-800-342-0222.

Una descripción general de la solicitud de tarifas y copias de la presentación completa están disponibles en línea en [www.FloridaPSC.com](http://www.FloridaPSC.com) y [www.PeoplesGas.com/rates](http://www.PeoplesGas.com/rates).

Los comentarios por escrito sobre la solicitud de Peoples Gas System de aumentar las tarifas base y los cargos por servicios pueden enviarse a la Comisión a la siguiente dirección:

## Notice of Customer Service Hearings

### Docket No. 20250029-GU

NOTICE is hereby given that Peoples Gas System, Inc. has filed a petition with the Florida Public Service Commission to increase its rates and charges. The Florida Public Service Commission will hold virtual and in-person public hearings in this docket. The customer service hearings will commence at the dates, times and locations shown below and will continue until all witnesses have been heard.

Virtual Hearing: Monday, July 14, 2025 at 1 p.m.

**In-Person Hearings:**

Wednesday, July 16, 2025 at 10 a.m.  
Anne Kolb Nature Center - Mangrove Hall  
Hollywood North Beach Park  
751 Sheridan Street  
Hollywood, FL 33019

Thursday, July 17, 2025 at 2 p.m.  
Valencia Community College  
Health Science Building - Room 105  
1800 South Kirkman Road  
Orlando, FL 32811

A Spanish interpreter will be available during the virtual hearing on July 14 and the in-person hearing on July 16.

Customers may register to speak at the virtual service hearing in one of the following ways:

- (1) Use the PSC's online registration form, which will be available at [www.FloridaPSC.com](http://www.FloridaPSC.com), under the "Hot Topics" heading,
- (2) Call the PSC at (850) 413-7080 or
- (3) Email [speakersignup@psc.state.fl.us](mailto:speakersignup@psc.state.fl.us).

Online registration for the virtual service hearing will open on June 30, 2025, at 9:00 a.m., and close at noon on July 10, 2025. One day prior to the virtual service hearing, customers who signed up to speak will be provided further instructions from PSC staff on how to participate.

Customers who wish to speak at the in-person service hearings may register upon arrival at the venue. There will be no online signups for the in-person service hearings.

All persons who wish to comment, either virtually or in-person, are urged to appear promptly at the scheduled times because the service hearings may be adjourned early if no customers are present to testify or when those present have testified.

Please note that the order in which customers will speak is based on the order in which they register. If you have questions about the sign-up process, please call (850) 413-7080.

On Sept. 8 - 11, 2025, the PSC will conduct a technical hearing to allow Peoples Gas and other parties involved in the proceeding to present testimony and relevant evidence regarding the rate request.

To watch customer service hearings live, visit [www.FloridaPSC.com](http://www.FloridaPSC.com) and click on the "Watch Live" link. If you do not have access to the internet, you may call (850) 413-7999 to listen to the hearings. If you are hearing or speech impaired, you may contact the PSC by using the Florida Relay Service at (800) 955-8771 (TDD).

#### Purpose and Procedure

The purpose of these customer service hearings shall be to permit members of the public, who are not parties to the proceeding, to give testimony regarding Peoples Gas System's quality of service and its requested increase in its base rates and miscellaneous service charges. The company will present a brief summary of its case and then members of the public may present testimony by telephone.

#### Public Counsel

The Public Counsel has intervened in this docket to represent the customers of Peoples Gas System and will be present at the hearings. The Public Counsel representative may be contacted prior to the hearings at [www.FloridaOPC.gov](http://www.FloridaOPC.gov) or by phone at 1-800-342-0222.

An overview of the rate request and copies of the complete filing are available online at [www.FloridaPSC.com](http://www.FloridaPSC.com) and [www.PeoplesGas.com/rates](http://www.PeoplesGas.com/rates).

Written comments regarding Peoples Gas System's request to increase base rates and service charges may be sent to the Commission at the following address:

A supporter of President Donald Trump waves a flag as other people protest on Tamiami Trail on Tuesday against the establishment of Alligator Alcatraz at the site of the Dade-Collier Training and Transition Airport in Ochopee.

# Merch, jokes and memes: Trump officials and supporters love the name Alligator Alcatraz

BY GRETHEL AGUILA  
gaguila@miamiherald.com

Alligator Alcatraz, the immigrant detention facility that opened Tuesday in the Florida Everglades, has become a rich source of jokes, memes and even merchandise put out by officials aligned with the Trump administration — and the president’s supporters.

President Donald Trump, visiting the facility

with Gov. Ron DeSantis on Tuesday morning, quipped about the wildlife surrounding the buildings.

“A lot of bodyguards, a lot of cops in the form of alligators,” he told reporters. “You don’t have to pay them so much.”

When asked about possible escapees being eaten by alligators or snakes, Trump said: “I guess that’s the concept. This is not a nice business. I guess that’s the concept. ... We’re gonna teach them

how to run away from an alligator if they escape prison.”

Alligator Alcatraz, as the state officially calls the facility, lies in the Everglades about 40 miles west of Miami International Airport and halfway to Naples. Over the past week, the DeSantis administration built the detention camp at the idle airstrip, which the state seized by using its emergency powers.

The 1,000-bed, taxpayer-funded facility is just east of Big Cypress National Preserve, which is federally protected land, and it’s surrounded on three sides by Miccosukee and Seminole tribal infrastructure, including homes and ceremonial sites. The site, which officials describe as temporary, will consist primarily of large tents and trailers and is expected to house undocumented immigrants arrested both within and outside Florida.

During the visit, Garrett

Ripa, the Immigration and Customs Enforcement field office director in Miami, said agents are working to “get those bad hombres off the street and get them into this facility.”

In recent days, Florida Attorney General James Uthmeier made several posts on X about Alligator Alcatraz, which he called “a one stop shop for immigration enforcement” because migrants can “Come in, get your ‘process,’ and fly out.”

In one post, Uthmeier shared a photo of his son drawing in front of a laptop displaying a cartoon of an alligator-shaped airplane. “New Alligator Alcatraz slogan: see ya’ later!” he wrote on social media.

Before Trump’s tour, Uthmeier also launched merch, including hats with the facility’s moniker and shirts that say “Nowhere to run. Nowhere to hide.”

**‘HELL ON EARTH’**

Benny Johnson, a conservative influencer who attended Trump’s visit to the facility, shared a video in which he’s wearing a black Alligator Alcatraz hat, which appears to be available on Uthmeier’s website. He said he was “handed official ... merch.”

In another video posted to X, Johnson walked around filming the “Jurassic Park style entrance” to the facility. He described his lengthy drive to the detention center — and the dozens of alligators he saw in the area.

“You go in, and you don’t come out,” Johnson said in the video. “And if you do, the alligators get you.”

In his post, Johnson wrote: “Mosquitoes swarming me by the thousands. Millions of gators. Hell on earth.”

Far-right influencer Laura Loomer also shared her thoughts on Alligator Alcatraz in a post on X a few days ago.

“Feeding illegals to the gators,” she said. “We need more of this energy.”

**OPPONENTS BLAST CONTROVERSIAL FACILITY**

In a statement Tuesday, Bacardi Jackson, executive director of the ACLU of Florida, said the facility’s branding “reflects an intent to portray people fleeing hardship and trying to build a better life for themselves and their families as threats, which is both unnecessary and abusive.”

“Converting a remote island in the Everglades into a prison-like complex for members of our communities is not just cruel and absurd — it underscores how our immigration system is increasingly being used to punish people rather than provide them with due process,” Jackson said in the statement. “There is no justification for locking people away in isolated, dangerous environments — let alone in a camp modeled after one of the most notorious prisons in American history.”

## Law

from Page 3

Legislature’s decade-long effort to carve out exemptions to Florida’s public records laws, Block said.

“The Sunshine State is being increasingly the Shady State,” he added.

State Rep. Bruce Antone, D-Orlando, faced an ethics complaint last year from his opponent in the Democratic Party primary who accused him of not living in his district, despite legal requirements to do so by Election Day.

Addresses on multiple official documents — including voter registration forms, property tax records and campaign filings — suggested he did not live in his district, which covers part of Orlando and west Orange County, according to a 2024 report by Fresh Take Florida, a news service of the Univer-

sity of Florida journalism program.

The bill — which Antone supported — would make some of the information used in that investigation inaccessible.

When asked if that story motivated his vote, Antone said he didn’t have “any particular reason” for supporting the bill.

The law will allow someone to see an officials’ city and ZIP code but not their street address, which Jones said was enough to confirm if a lawmaker lives in their district and was intentionally left available for transparency. However, the information may not be enough to confirm residency of lawmakers since cities and ZIP codes can spread over more than one district.

State Rep. Anna Eskamani, D-Orlando, was one of just two members in the House to vote against the bill. She said she sympa-

thizes with other lawmakers’ concerns — she has faced harassment at home — but does not want them addressed by limiting public access to information. “At the end of the day, there’s a lot of individuals that are at risk, that are harassed just like we are, and they don’t have that same kind of protection,” she said.

The law applies to members of Congress and the Florida Legislature, the governor, lieutenant governor and Cabinet, mayors, county property appraisers and supervisors of elections, school superintendents, school board members and city and county commissioners.

Any official who wants to have their information exempt under the law has to opt in to it by reaching out to each individual agency that maintains the related records. Their eligibility for the exemption would end when they leave office.

## Bear

from Page 3

Florida black bears become more active during spring and summer and can sometimes be seen in unexpected places, said Lisa Thompson, assigned to the state wildlife agency’s division of Habitat and Species Conservation.

She said bears “are on the move more this time of year in search of things to eat.”

Two summers ago, a young bear was captured in a wildlife agency trap near the World of Beer restaurant at Lake Eola Park and relocated to the Ocala National Forest. A few months earlier, a bear seen in a tree in College Park was allowed to come down on its own, but ended up being hit and killed by a vehicle.

Thompson said mother bears may expand their range while teaching cubs where to look for food while older, juvenile bears — those between the ages of 18 and 30 months — will leave their mother’s home range and travel in search of a new place to settle down.

Male bears also tend to be more active as they search for mates during the

summer breeding season.

The Orlando bear — or bears — has certainly moved around.

In the past week, the state wildlife agency fielded calls about a bear running on Elizabeth Avenue; a bear in a tree on Harrison Avenue, just east of Elizabeth Avenue; a bear in a tree on West Colonial Drive; and a bear moving past the soccer stadium.

Officials have not determined whether it was one bear or multiple bears.

Nancy Russ was returning home from the hair salon last week when she saw what at first she thought was a large black dog running loose on Elizabeth Street near Princeton Elementary School. A closer look proved it was a bear. “I felt so bad for it, and, of course, I love animals and I love anything nature,” she said.

“I wasn’t scared of it, only alarmed for the safety of the bear,” said Russ, composed enough to shoot video with her phone. A woman walking in the school parking lot seemed not to notice the bruin romping toward Princeton Street.

“I didn’t want to honk

the horn or say anything, because then it would have alarmed the bear,” Russ said. The bear just galloped by, she said.

Russ saw a television news report Tuesday with video of a bear on I-4, and said it looks like the same young frightened bear she saw.

Seeing a bear in a neighborhood is not necessarily cause for alarm, but it could may signal something is drawing them in.

Bears typically try to avoid people but may linger in neighborhoods if they can easily access food sources, Thompson said.

She said concerned residents may deter bear incursions by securing garbage, pet food, bird seed and other “easy meals.”

As bears become more active, they also cross more roadways.

Each year in Florida, about 300 bears are killed in collisions with motor vehicles.

Call the state Wildlife Hotline at 888-404-3922 if you spot an injured, orphaned or dead bear, feel threatened by one, or see someone harming or intentionally feeding bears.

The Seven Seas Prestige, the newest ship from Regent Seven Seas Cruises, provides guests with just shy of 9,000 square feet of combined indoor and outside space with plenty of natural light. **PHOTOS COURTESY OF REGENT SEVEN SEAS CRUISES**

## Regent

from Page 3

Regent Suite is a true embodiment of that promise,” said Jason Montague, chief luxury officer for Regent, in a news release. “At nearly 9,000 square feet, this breathtaking two-level suite delivers the most exclusive and elevated experience at sea, complete with every imaginable luxury included in the voyage fare.”

For such a steep price tag, a stay in the Skyview Regent Suite includes a dedicated personal butler, a private car and guide in every port, daily spa treatments, curated linen and pillow menu, in-suite caviar service, unlimited laundry and dry cleaning.

All of the ship’s suites have a balcony, and every passenger benefits from luxurious perks: unlimited shore excursions, included specialty restaurants and unlimited beverages at no added cost, unlimited access to spa facilities, pre-paid gratuities, WiFi and valet laundry service.

Other new and noteworthy accommodations aboard the Prestige include other two-level Skyview Suites (starting at \$24,999 per person) with private terrace decks accessed via in-suite elevators, Grand Loft Suites (starting at \$17,799 per person) with floor-to-ceiling windows and the Horizon Penthouse Suites (starting at \$11,099 per person) with expansive balconies.

Regent Seven Seas Cruises is a subsidiary of Norwe-

gian Cruise Line Holdings; passengers who wish to cruise at a more cost-effective price tag can explore options from Norwegian Cruise Line or the globe-trotting, elevated Oceania Cruises.

While Regent’s cruises are decidedly not easy on the wallet, they should be much gentler for the mind, body and soul for those who can

afford it.

# Precio por plan del Obamacare podría aumentar el próximo año

POR DANIEL CHANG  
KFF Health News

Josefina Muralles trabaja a tiempo parcial de noche como recepcionista en un condominio de Miami Beach. Así, puede cuidar durante el día de sus tres hijos, su madre mayor y su hermano, que está paralítico.

También ayuda a su madre a alimentar, bañar y dar la medicación a Rodrigo Muralles, el hermano que padece epilepsia y quedó discapacitado luego de desarrollar covid-19 en 2020.

“Vive porque le damos de comer y atendemos sus necesidades personales”, explica Josefina Muralles, de 41 años. “No dice: ‘Necesito esto o aquello’. Lo ha olvidado todo”.

Aunque su marido trabaja a tiempo completo, este arreglo hace que los ingresos familiares estén justo por encima del umbral federal de pobreza: son demasiado altos para aplicar al Medicaid de Florida, pero lo suficientemente bajos como para que Muralles y su marido puedan optar por un seguro médico subvencionado a través del mercado de seguros establecido por la Ley de Cuidado de Salud a Bajo Precio (ACA, conocida como Obamacare).

Muralles dijo que el año que viene es posible que ella y su marido no puedan permitirse ese seguro médico, que ha pagado por los anticoagulantes que le han recetado, la medicación para el colesterol y dos operaciones, incluida una para tratar un trastorno genético.

A esto se suma que los subsidios adicionales establecidos durante la pandemia, que redujeron las primas que pagaban Muralles y su marido a menos de la mitad, es decir a \$30 al mes, solo estarán vigentes hasta el 31 de diciembre.

Sin estos subsidios, las primas de los planes médicos de ACA aumentarían en promedio más del 75%, y en algunos estados las facturas que pagan las personas se duplicarían con creces, según estimaciones de KFF.

Florida y Texas se verían especialmente afectados, ya que tienen más gente inscrita en este mercado que otros estados. Solo algunos de sus distritos electorales, especialmente en el sur de Florida, tienen más personas anotadas en Obamacare que otros estados enteros.

Al igual que muchos de los más de 24 millones de estadounidenses registrados en el mercado de seguros este año, Muralles no sabía que los subsidios mejorados estaban a punto de expirar. Dijo que no puede permitirse un aumento de la prima porque la inflación ya lesionado el presupuesto de su hogar.

“El alquiler está subiendo y la cuenta del agua también”, señaló.

Si se terminan los subsidios ampliados, los inscritos con bajos ingresos, como el matrimonio Muralles serán los que reciban los mayores aumentos porcentuales en las primas.

En la práctica, los inscritos de ingresos medios que ganan más de cuatro veces el umbral federal de pobreza ya no serían elegibles para recibir ningún subsidio. Esos afiliados —que en 2025, ganen unos \$62.600 por individuo— son, en su gran mayoría, adultos mayores, trabajadores autónomos y residentes en zonas rurales.

Julio Fuentes, presidente de la Florida Hispanic American Chamber of Commerce dijo que muchos de los miembros de

su organización son propietarios de pequeñas empresas que dependen del Obamacare para ofrecer cobertura de salud.

“Es esto o nada”, afirmó.

La Oficina de Presupuesto del Congreso (CBO) calculó que si se dejan de aplicar los subsidios mejorados aumentará en 4,2 millones el número de personas sin seguro médico.

Si se suman los cambios en Medicaid que propone el proyecto de reconciliación presupuestaria de la Cámara de Representantes y las normas propuestas por la administración Trump para el mercado de seguros, que incluyen una verificación de ingresos más estricta y la reducción de los periodos de inscripción, el número total de personas sin cobertura crecerá en 16 millones durante ese periodo.

Un estudio del Urban Institute reveló que, sin los subsidios adicionales, los hispanos y los afroamericanos sufrirán mayores pérdidas de cobertura que otros grupos.

Fuentes señaló que alrededor de 5 millones de hispanos están inscritos en el mercado de ACA y que Donald Trump ganó el voto hispano en Florida en 2024. Espera que el presidente y los republicanos del Congreso vean la ampliación de los subsidios mejorados como una forma de conservar a esos votantes.

“Probablemente esta sea una buena forma de aumentar aún más esa base”, afirmó. “O un buen comienzo”.

La inscripción en el mercado de seguros ha crecido rápidamente desde 2020 en los estados donde Trump ganó en 2024.

Una encuesta reciente de KFF reveló que el 45% de los estadounidenses que compran su propio seguro médico se identifican como republicanos o se inclinan por este partido, incluidos 3 de cada 10 que se identifican como partidarios de Make America Great Again (MAGA).

Un porcentaje menor se identifica como demócrata o independientemente con tendencia demócrata (35%) o no se inclina por ninguno de los dos partidos (20%).

Kush Desai, vocero de la Casa Blanca, afirmó que las normas propuestas por la administración Trump, junto con las disposiciones del proyecto de ley presupuestaria aprobado por la Cámara de Representantes, “fortalecerán el mercado de ACA”.

El funcionario señaló que la CBO prevé que la legislación reduzca las primas de algunos planes en un promedio del 12% para 2034, pero que los gastos de bolsillo aumentarán o se mantendrán iguales para la mayoría de los consumidores que reciben subsidios.

“Los demócratas saben que los estadounidenses apoyan ampliamente el fin del despilfarro, el fraude y el abuso, tal y como lo hace The One, Big, Beautiful Bill, y por eso están tratando desesperadamente de cambiar el discurso”, afirmó Desai.

Sin embargo, Lauren Aronson, directora ejecutiva de Keep Americans Covered, un grupo con sede en Washington, D.C. que representa a aseguradoras de salud, hospitales, médicos y defensores de los pacientes, afirmó que es fundamental generar conciencia sobre el posible impacto de la pérdida de los subsidios mejorados, también conocidos como créditos fiscales anticipados para el pago de primas.

Aronson se mostró entusiasmada por el hecho de que los demócratas hayan

DANIEL CHANG/KFF HEALTH NEWS

JOSEFINA MURALLES, de North Miami, Florida, tiene su cobertura médica a través del mercado de seguros establecido por la Ley de Cuidado de Salud a Bajo Precio (ACA).

presentado un proyecto de ley para extender la vigencia de estos subsidios, y que algunos senadores republicanos hayan expresado su apoyo.

Lo que más preocupa a Aronson es que el Congreso, controlado por los republicanos, esté más centrado en prorrogar los recortes fiscales que en mejorar los subsidios, afirmó. Según la CBO, el proyecto de ley actual que prorroga los recortes fiscales de 2017 aumentaría el déficit federal en unos \$2,4 mil millones durante la próxima década, mientras que hacer que los subsidios mejorados sean permanentes aumentaría el déficit en \$358.000 millones durante aproximadamente el mismo periodo.

“El Congreso está avanzando en un paquete de reconciliación fiscal que pretende beneficiar a las familias trabajadoras”, explicó Aronson. “Pero si los legisladores no se ocupan de los créditos fiscales, las familias trabajadoras terminarán cargando con el problema”.

Brian Blase, presidente del Paragon Health Institute, un centro de estudios conservador en políticas de salud, dijo que se suponía que los subsidios mejorados eran una medida temporal establecida durante la pandemia de covid-19 para ayudar a las personas que corrieran el riesgo de perder la cobertura.

Pero en realidad, afirmó, los subsidios mejorados facilitaron el fraude porque los afiliados no necesitaban verificar su elegibilidad por ingresos para recibir planes sin costo mensual. Alcanzaba con declarar ingresos iguales o cercanos al nivel federal de pobreza.

Los subsidios mejorados también empeoran la inflación en el sector de salud, desalientan a los empleadores a ofrecer cobertura médica y desplazan a modelos alternativos, como los seguros a corto plazo y los planes de la Farm Bureau, dijo Blase.

“Permitir que se acaben estos subsidios sería simplemente volver al Obamacare tal y como estaba redactado”, opinó Blase. “Es un programa más eficiente que el que tenemos ahora”.

Las nuevas normas para el mercado propuestas por la administración Trump en marzo ya están diseñadas para combatir el fraude, dijo Anna Howard, experta en políticas de la American Cancer Society Cancer Action Network, que aboga por una mayor cobertura de seguro médico. Howard señaló que la ampliación de los créditos fiscales mejorados ayudaría a garantizar que las personas que tienen derecho legítimo a la cobertura puedan obtenerla.

“No queremos que más de 5 millones de personas se vean privadas de su cobertura de salud por temor al fraude, cuando las políticas que se proponen no abordan necesariamente este problema”, manifestó.

Sin primas accesibles, muchos consumidores recurrirán a planes de salud de corto plazo, a organizaciones religiosas que ayudan con los costos médicos, y a otras formas de cobertura que no ofrecen las prestaciones ni las protecciones de la ley de salud, afirmó.

“Se trata de planes que no cubren los medicamentos prescritos o que tienen límites anuales o de por vida”, explicó. “Para un paciente con cáncer, esos planes no sirven”, añadió.

Aunque los subsidios mejorados no expiran hasta finales de año, la Blue Cross Blue Shield Association preferiría que el Congreso actuara antes del otoño para evitar confusiones durante el periodo de inscripción abierta, señaló David Merritt, vicepresidente senior.

Las aseguradoras están preparando las tarifas para cumplir con los plazos estatales. Hacia octubre, los consumidores recibirán avisos de renovación de sus planes, con 60 días de anticipación. Estos avisos incluirán las primas correspondientes a 2026.

Sin los subsidios mejorados, explicó Merritt, la competencia en el mercado de seguros se reducirá, lo que dará lugar a menos opciones de cobertura y precios más altos, especialmente en los estados que no han ampliado la elegibilidad para Medicaid y donde la inscripción en Obamacare se disparó durante los últimos cuatro años, como Florida y Texas. “Los votantes y los pacientes realmente van a sentir el impacto”, afirmó.

# Senado aprueba plan fiscal de Trump y lo devuelve a la Cámara Baja para voto final

POR ROBIN LEGRAND  
Agence France-Presse  
WASHINGTON

El presidente estadounidense Donald Trump logró una importante victoria este martes con la aprobación por estrecho margen en el Senado de su colosal proyecto de ley de presupuestos, que incluye fondos para su política migratoria, exenciones fiscales y recortes a la cobertura médica.

Después de dos días de sesiones maratónicas, el resultado fue muy reñido.

A pesar de una mayoría republicana de 53 de 100 escaños, la votación terminó en un empate 50-50 y fue el vicepresidente JD Vance quien tuvo que emitir el voto final a favor, como lo exige la Constitución.

Una muestra más de la fuerte oposición que despertó, incluso dentro de su propio partido.

La ley “hermosa y grande”, como la bautizó Trump, volverá ahora a la Cámara de Representantes, donde se enfrenta al rechazo de los demócratas y de muchos republicanos opuestos a los drásticos recortes. El republicano de 79 años se puso el 4 de julio, feriado nacional que celebra el Día de la Independencia, como fecha tope simbólica para promulgarla.

## EXPLOSIÓN DEL DÉFICIT

El texto prevé prolongar los enormes créditos fiscales adoptados durante el primer mandato de Trump (2017-2021), elimi-

na el impuesto a las propiedades e incluye miles de millones de dólares adicionales para defensa y control migratorio.

Tanto expertos como políticos prevén que dispare el déficit federal.

La Oficina de Presupuesto del Congreso, responsable de las evaluaciones imparciales del impacto de los proyectos de ley en las finanzas públicas, estima que incrementaría la deuda en más de \$3 billones para 2034. Para compensarlo parcialmente, los republicanos prevén recortar Medicaid, el programa público de seguro médico del que dependen millones de estadounidenses de bajos ingresos.

También se plantean reducir el programa SNAP de ayuda alimentaria y desmantelar los incentivos fiscales para las energías renovables adoptados durante el mandato del expresidente demócrata Joe Biden.

Donald Trump, quien ha hecho de este proyecto de ley una pieza clave de su programa económico para este segundo mandato, enfrenta sin embargo las marcadas reticencias de algunos senadores de su propio partido, temerosos de los riesgos electorales de estos recortes importantes. Finalmente tres de 53 se opusieron.

A estas reticencias se ha sumado la frontal oposición de Elon Musk, la persona más rica del mundo y exasesor de Trump que se enemistó con el presidente precisamente por este proyecto de presupuesto.
