**Subject:** FPL proposed rate increases

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I want to voice my opinion on the proposed rate increases requested by FPL. Maybe if they spent less money on advertising, they wouldn't need to raise rates as much. I can't understand the barrage of commercials on TV, it's not like there's any competition, where else are we going to get our power.
