The above confidential material was filed along with a request for confidential classification. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- ☒ The document(s) is (are), in fact, what the utility asserts it (them) to be.  
☒ The utility has provided enough details to perform a reasoned analysis of its request.  
☐ The material has been received incident to an inquiry.  
☒ The material is confidential business information because it includes:  
    ☐ (a) Trade secrets;  
    ☐ (b) Internal auditing controls and reports of internal auditors;  
    ☐ (c) Security measures, systems, or procedures;  
    ☒ (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;  
    ☐ (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information;  
    ☐ (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;  
☒ The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.  
☐ The material appears not to be confidential in nature.  
☐ Portions of the material appear to be confidential in nature and are identified in the memorandum supporting this recommendation.  
☐ The material is a periodic or recurring filing and each filing contains confidential information.

DOCKET NO: 20250011-EI DOCUMENT NO: 03989-2025

DESCRIPTION: FPL (Moncada) - (CONFIDENTIAL) Information provided in supplemental response to OPC's 1st request for PODs (No. 27).

---

Pursuant to Section 366.093 of the Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (FPL) requests confidential classification of information provided in supplemental response to OPC's 1st request of production of documents No. 27.

Based on staffs review, the information provided in the supplemental response to OPC's first production of documents No. 27 contains proprietary confidential business information concerning bids or other contractual data. The disclosure of which would impair the efforts of FPL to contract for goods or services on favorable terms. Specifically, the information contains service charges billed to affiliates, which if disclosed to the public could be used to determine negotiated pricing paid by FPL. Therefore, staff recommends that the request for confidentiality of certain information included in Document No. 03989-2025 be approved pursuant to Section 366.093(3)(d), F.S.
