Dear Florida Public Service Commission PSC,

My name is Erik O and I am a 20+ year resident of Miami Dade County. As a member of Florida Rising and a Florida Power & Light customer, I strongly oppose the rate increase request of almost \$10 billion — the largest in US history. This unjust and excessive increase would burden everyday Floridians like my 87 year old mother, who must make do on a fixed income.

The PSC should prioritize consumers by ensuring fair and affordable utility rates. I urge the Public Service Commission to reject this massive rate hike and stand by Floridians and not corporate energy monopolies.

We need affordable and clean energy, not higher bills.

Sincerely,

Erik Ofengand
