Subject: Objection/Concern with Proposed Grenelefe Water & Sewer Rate Increase

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Dear Florida Public Service Commission,

I am writing to inform you of my objection and concern about the proposed increase to water and sewer rates at Grenelefe. My late husband (James E. Beck) and I have been owners at Grenelefe (Aspenwood) for over 25 years, and have greatly enjoyed living here. But the rate increase estimates shared by the Aspenwood Board of Directors are at a level that I would not be able to afford.

I appeal to you to please maintain rates as close as possible to the current rates, so that I may continue to live at the home I love. Thank you for hearing my concerns.

Sincerely,

Charlene A. Beck
