AGENDA: 11/4/2025 - Consent Agenda - Final Action - Interested Persons May Participate

SPECIAL INSTRUCTIONS: None

Please place the following application for authority to issue and sell securities on the consent agenda for approval.

Docket No. 20250115-EI - *Application for authority to issue and sell securities during 12 months ending December 31, 2026, by Duke Energy Florida, LLC.*

Duke Energy Florida, LLC (DEF or Company) seeks the authority to issue, sell, or otherwise incur during 2026 up to \$1.5 billion of any combination of equity securities, long-term debt securities, and other long-term obligations. Additionally, the Company requests authority to issue, sell, or otherwise incur during 2026 and 2027, up to \$2.5 billion outstanding at any time of short-term debt securities and other obligations.

In its application, DEF confirms that the capital raised pursuant to this application will be used in connection with the regulated activities of the Company and not the unregulated activities of its unregulated affiliates.

Staff has reviewed the Company's projected capital expenditures in Exhibit B. The total amount requested by the Company (\$4 billion) exceeds its estimated capital expenditures of \$2.5 billion for calendar year 2026. The requested amount exceeding its estimated capital expenditures allows for financial flexibility with regard to unexpected events such as hurricanes, financial market disruptions, and other unforeseen circumstances. Staff believes the requested amounts are reasonable and appropriate. Staff recommends DEF's application for authority to issue and sell securities be approved.

For monitoring purposes, this docket should remain open until May 1, 2027, to allow the Company time to file the required Consummation Report.
