Subject

Florida Power and Light

Message

Hello. I live in Pensacola and it's to my knowledge that Florida Power and Light is asking for another rate increase, yet again. I am asking you to turn this down as the governor of our state. It's ridiculous and unreasonable how much it has increased since they took over. It's already challenging to make ends meet in today's America. They promised it would go down and it has been the complete opposite. Say no.

Sincerely,
Jacqueline Hogan
