FORM OF PLACED IN SERVICE CERTIFICATE

The undersigned, Overland Contracting, Inc., a Delaware corporation (“Contractor”), does hereby deliver this Placed in Service Certificate (complete except for counter signature) to DUKE BUSINESS SERVICES, LLC, as agent for and on behalf of DEF Purchasing Company, LLC, a Florida limited liability corporation (“Owner”). Terms used and not defined herein shall have the meanings set forth in that certain Engineering, Procurement and Construction Agreement (“Agreement”), dated as of August 29, 2025, by and between Owner and Contractor.

Contractor hereby certifies and represents that the following statements are true as of the date set forth below:

- (a) Mechanical Completion shall have been achieved;
- (b) All necessary permits, approvals, certificates of compliance and licenses with respect to the Facility have been obtained, and the Facility conforms to all applicable federal, state and local codes and the requirements of all inspecting Governmental Authorities;
- (c) All critical tests set forth in Exhibit A-3 related to the reliable and safe operation of the Facility have been completed;
- (d) The Facility is fully installed, functional, and operational and capable of control by Owner for purposes of dispatch;
- (e) The Facility has been synchronized into Owner's power grid for generating electricity;
- (f) Regular daily operation of the Facility has begun or is possible;
- (g) The Facility is capable of generating useable energy and delivering useable renewable energy to Owner at the delivery point in more than *de minimus* amounts and in such a manner that the electricity generated is routinely available and consistent with the Facility's design;
- (h) Not used; and
- (i) the person signing below is authorized to submit this form to Owner for and on behalf of Contractor and is including herewith a report in a form acceptable to Owner and with sufficient detail to enable Owner to determine whether Placed in Service has occurred.

Copies of **[list applicable report]** are attached to this Certificate.

By executing this Certificate, Owner acknowledges that Placed in Service for the Facility is deemed to have occurred on September 11, 2026.
