ORDER GRANTING MOTION FOR EXTENSION OF TIME

On May 15, 1995, the Florida Electric Cooperatives Association filed a Motion for Extension of Time in these dockets on behalf of Clay Electric Cooperative, Inc., Lee County Electric Cooperative, Inc., Sumter Electric Cooperative, Inc., Talquin Electric Cooperative, Inc., Withlacoochee River Electric Cooperative, Inc., and Florida Keys Electric Cooperative Association, Inc. (the "electric cooperatives"). The electric cooperatives request a 45-day extension of time through August 25, 1995 in which to file their demand side management plans.

Order No. PSC-95-0461-FOF-EG, issued in Docket Nos. 930552-EG, 930553-EG, 930554-EG, 930555-EG, 930556-EG, 930557-EG, 930558-EG, 930559-EG, 930560-EG, 930561-EG, 930562-EG, 930563-EG, 930564-EG, 930922-EG, and 940828-EG, on April 10, 1995, established numeric demand side management (DSM) goals for the electric utilities subject to the Florida Energy Efficiency and Conservation Act (FEECA), Sections 366.80 - 366.85 and 403.519, Florida Statutes. Pursuant to Rule 25-17.0021 (4), Florida Administrative Code, each utility must submit a DSM plan designed to meet the utility's

numerical goals within 90 days of a final order establishing or modifying goals. Rule 25-17.0021 (4), Florida Administrative Code, does, however, allow the Commission to extend the period of time in which the utilities must submit their demand side management plans. The electric cooperatives, therefore, request that the Commission grant the 45-day extension because the time and resources required to prepare their DSM plans have proven to be greater than originally anticipated. An extension of time will provide the electric cooperatives with an adequate amount of time in which to prepare their DSM plans.

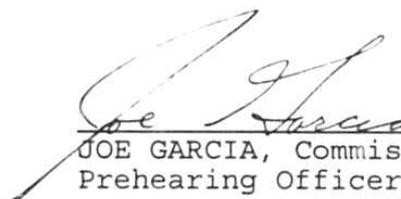

An extension of time will not disrupt any events currently scheduled in these dockets.

Based on the foregoing, it is therefore

ORDERED that Clay Electric Cooperative, Inc.'s, Lee County Electric Cooperative, Inc.'s, Sumter Electric Cooperative, Inc.'s, Talquin Electric Cooperative, Inc.'s, Withlacoochee River Electric Cooperative, Inc.'s, and the Florida Keys Electric Cooperative Association, Inc.'s Motion for Extension of Time is granted. It is further

ORDERED that these dockets shall remain open pending consideration by the Commission.

By ORDER of Commissioner Joe Garcia, as Prehearing Officer, this 17th day of May, 1995.

JOE GARCIA, Commissioner and
Prehearing Officer

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
