ORDER INDICATING NONJURISDICTIONAL STATUS OF SPEEDWAY/
STARVIN MARVIN TRAVEL CENTER STORE 92 AND CLOSING DOCKET

BY THE COMMISSION:

On October 5, 1995, Marathon Oil/Speedway (Speedway) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Speedway is a convenience store which is currently under construction at 4255 Northwest Highway 326, Ocala, Florida. Speedway is owned by EMRO Marketing Company. Mr. M. J. Higgins, Project Engineer and primary contact person, filed the application on behalf of Speedway. Mr. Higgins was authorized to file the application by Mr. J. A. Davidson, Vice President of the Eastern Division of EMRO Marketing Company.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

After review of the application and discussions with Mr. Higgins, it was determined that the correct name of the entity is Speedway/Starvin Marvin Travel Center Store 92. According to Speedway's application, water and wastewater service will be provided only to the convenience store located at 4255 Northwest Highway 326, Ocala, Florida, there will be no charge for providing the service, and all costs of providing service will be treated or recovered as operational expenses.

FPSC-RECORDS REPORTING

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Higgins acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Speedway is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Speedway is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of Speedway or any successors in interest, must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Speedway/Starvin Marvin Travel Center Store 92, c/o Marathon Oil Company, 539 South Main Street, Findlay, Ohio 45840, is not a water and wastewater utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Speedway/Starvin Marvin Travel Center Store 92 or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate its nonjurisdictional status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 31st day of October, 1995.
