NOTICE OF PROPOSED AGENCY ACTION ORDER DETERMINING THAT NO
REFUNDS ARE REQUIRED FOR THE YEAR 1995 AND CLOSING DOCKET

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

BACKGROUND

Sunray Utilities - Nassau, Inc. (Sunray or utility) is a Class C water and wastewater utility which provides service to approximately 142 customers in Nassau County. The 1995 annual report of Sunray showed that it had operating revenue of \$47,836 for the water system and \$54,814 for the wastewater system. The utility reported a net operating loss of \$42,231 for the water system and \$77,873 for the wastewater system.

As a result of the repeal of Section 118(b) of the Internal Revenue Code, contributions-in-aid-of-construction (CIAC) became gross income and were depreciable for federal tax purposes. In Order No. 16971, issued December 18, 1986, we authorized corporate utilities to collect the gross-up on CIAC in order to meet the tax impact resulting from the inclusion of CIAC as gross income.

Orders Nos. 16971 and 23541, issued December 18, 1986 and October 1, 1990, respectively, require that utilities annually file information which would be used to determine the actual state and federal income tax liability directly attributable to the CIAC. The information would also determine whether refunds of gross-up would be appropriate. These orders also required that all gross-up collections for a tax year, which are in excess of a utility's actual tax liability for the same year, should be refunded on a pro rata basis to those persons who contributed the taxes.

In Order No. 23541, we required any water and wastewater utility already collecting the gross-up on CIAC and wishing to continue, to file a petition for approval with the Commission on or before October 29, 1990. Sunray filed for authority to continue to gross-up on February 1, 1991. By Order No. PSC-92-0130-FOF-WS, issued March 31, 1992, we granted Sunray continued authority to gross-up using the full gross-up formula.

On September 9, 1992, we issued Proposed Agency Action (PAA) Order No. PSC-92-0961-FOF-WS, which clarified the provision of Orders Nos. 16971 and 23541 for the calculation of refunds of gross-up of CIAC. On September 14, 1992, we issued PAA Order No. PSC-92-0961A-FOF-WS. This order included Attachment A which reflected the generic calculation form. No protests were filed, and the Order became final.

On March 29, 1996, we opened Docket No. 960397-WS to review our policy concerning the collection and refund of CIAC gross-up. Workshops were held and comments and proposals were received from the industry and other interested parties. By PAA Order No. PSC-96-0686-FOF-WS, issued May 24, 1996, we directed our staff to review the proposals and comments offered by the workshop participants and make a recommendation concerning whether our policy regarding the collection and refund of CIAC should be changed. In addition, we directed our staff to consider ways to simplify the process and determine whether there were viable alternatives to the gross-up. Pending this review, we directed our staff to continue processing CIAC gross-up and refund cases pursuant to Orders Nos. 16971 and 23541.

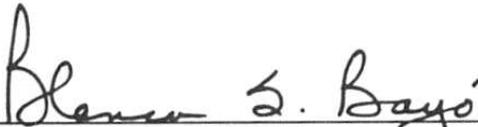

However, on August 1, 1996, Congress passed the Small Business Job Protection Act of 1996 (the Act), and the President signed the Act on August 20, 1996. The Act provided for the non-taxability of CIAC collected by water and wastewater utilities effective
