NOTICE OF PROPOSED AGENCY ACTION  
ORDER APPROVING EXEMPTION FROM  
REQUIREMENT THAT EACH TELEPHONE STATION  
SHALL ALLOW INCOMING CALLS

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service  
Commission that the action discussed herein is preliminary in  
nature and will become final unless a person whose interests are  
substantially affected files a petition for a formal proceeding,  
pursuant to Rule 25-22.029, Florida Administrative Code.

Under Rule 25-24.515(8), Florida Administrative Code, pay  
telephones must allow incoming calls to be received unless they are  
located at a confinement facility, hospital, school, or another  
location specifically exempted by this Commission. Requests for an  
exemption from this requirement must be accompanied by an  
attestation by the owner of the pay telephone, the location  
provider, and the chief of the responsible law enforcement agency  
that the request is made to deter criminal activity at that pay  
telephone.

GTE Florida Incorporated has filed a Request for Exemption  
from the requirement that each telephone station shall allow  
incoming calls from each of the pay telephones listed below. The  
request includes an attestation by GTE Florida Incorporated, the

location provider, and the chief of police that the request is made in order to deter criminal activity facilitated by incoming calls being received at the pay telephones.

The Request for Exemption was filed on June 27, 1997. The Notice of Request for Exemption was submitted to the Secretary of State for publication in the Florida Administrative Weekly pursuant to Section 120.542, Florida Statutes. No comments were submitted during the comment period, which ended August 1, 1997.

Upon consideration, it appears appropriate to grant GTE Florida Incorporated's request. GTE Florida Incorporated has demonstrated that these waivers are in the public interest under Sections 364.01 and 364.3375, Florida Statutes, in an effort to prevent criminal activity. Further, GTE Florida Incorporated has demonstrated that the enforcement of the incoming call requirement would result in substantial hardship for GTE Florida Incorporated as the requirement would allow the payphones to be used for continuing criminal activity. Pursuant to Rule 25-24.515(8), Florida Administrative Code, GTE Florida Incorporated must provide central office based intercept at no charge to the end user and must display a notice on each affected pay telephone stating, "Incoming calls blocked at the request of law enforcement."

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that GTE Florida Incorporated's request to block incoming calls at the pay telephones listed in the body of this Order is hereby approved. It is further

ORDERED that GTE Florida Incorporated shall provide central office based intercept at no charge to the end user at the pay telephones where incoming calls cannot be received. It is further

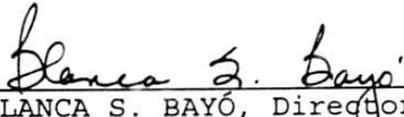

ORDERED that GTE Florida Incorporated shall display a notice on each pay telephone at which incoming calls are blocked stating, "Incoming calls blocked at the request of law enforcement." It is further
