BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service
Commission that the action discussed herein is preliminary in
nature and will become final unless a person whose interests are
substantially affected files a petition for a formal proceeding,
pursuant to Rule 25-22.029, Florida Administrative Code.

MetroLink Communications, Inc. (MetroLink or the company), an
interexchange telecommunications carrier (IXC), currently holds
certificate of public convenience and necessity number 4452, issued
by the Commission on July 24, 1996, authorizing the provision of

interexchange telecommunications service. MetroLink has not paid the regulatory assessment fees required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the year 1996. The regulatory assessment fee form was mailed to MetroLink in December, 1996, for the period of January 1, 1996, through December 31, 1996. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. MetroLink was notified of its delinquency on June 3, 1997. The company has been given adequate opportunity to pay. To date, the Commission's correspondence regarding the regulatory assessment fees has been returned by the post office, and MetroLink has not paid the required fees.

For the reason described above, pursuant to Rule 25-24.474(1)(b) and (c), Florida Administrative Code, we find it appropriate to cancel MetroLink's certificate, unless the company pays a \$500 fine for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, and remits all past due regulatory assessment fees, along with statutory penalties and interest charges, to the Florida Public Service Commission. MetroLink must comply with these requirements within five business days from the date this Order becomes final. The fine will be remitted to the Comptroller for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.516, Florida Statutes.

When the appropriate fees, statutory penalties, interest charges, and fine is received, this docket shall be closed. Should MetroLink fail to comply with this Order within five business days from the date this Order becomes final, MetroLink shall have its certificate canceled and the docket will be closed. The cancellation of the certificate and the closing of the docket in no way diminishes MetroLink's obligation to pay applicable delinquent regulatory assessment fees, statutory penalties, and interest charges.

Should MetroLink's certificate be canceled, all certificated interexchange carriers in the State of Florida are instructed to discontinue service to MetroLink, pursuant to Rule 25-24.4701(3), Florida Administrative Code, Provision of Regulated Telecommunications Service to Uncertificated Resellers Prohibited. Any certificated interexchange carriers providing service to MetroLink must contact the Commission at the conclusion of the

response period indicated herein in order to determine if MetroLink's certificate has been canceled.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that MetroLink Communications, Inc. must pay the past due regulatory assessment fees, statutory penalties, interest charges, and a \$500 fine to the Florida Public Service Commission for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, within five business days from the date this Order becomes final. The fine will be transmitted to the Comptroller for deposit in the State of Florida General Revenue Fund. It is further

ORDERED that should MetroLink Communications, Inc. fail to comply with this Order, MetroLink Communications, Inc.'s certificate shall be canceled, and the docket shall be closed. It is further

ORDERED that the cancellation of the certificate and the closing of the docket in no way diminishes MetroLink Communications, Inc.'s obligation to pay applicable delinquent regulatory assessment fees, statutory penalties, and interest charges. It is further

ORDERED that all certificated interexchange telecommunications providers shall discontinue service to MetroLink Communications, Inc. upon verification of the cancellation of the certificate at the conclusion of the response period set forth in this Order. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective unless an appropriate petition, in the form provided by Rule 25-22.036, Florida Administrative Code, is received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings or Judicial Review" attached hereto. It is further

ORDERED that in the event this Order becomes final, this Docket shall be closed upon payment of the fines and fees or upon cancellation of the certificate.
