CERTIFICATE AND DIRECTING CERTIFICATED INTEREXCHANGE

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service
Commission that the action discussed herein is preliminary in
nature and will become final unless a person whose interests are
substantially affected files a petition for a formal proceeding,
pursuant to Rule 25-22.029, Florida Administrative Code.

Security Telecom Corporation (Security Telecom or the
company), an interexchange telecommunications carrier (IXC),
currently holds certificate of public convenience and necessity
number 4742, issued by the Commission on October 30, 1996,
authorizing the provision of interexchange telecommunications
service. Security Telecom has not paid the regulatory assessment

fees required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the year 1996. The regulatory assessment fee form was mailed to Security Telecom in December, 1996, for the period of January 1, 1996, through December 31, 1996. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Security Telecom was notified of its delinquency on June 3, 1997. The company has been given adequate opportunity to pay. To date, the Commission's correspondence regarding the regulatory assessment fees has been returned by the post office, and Security Telecom has not paid the required fees.

For the reason described above, pursuant to Rule 25-24.474(1)(b) and (c), Florida Administrative Code, we find it appropriate to cancel Security Telecom's certificate, unless the company pays a \$500 fine for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, and remits all past due regulatory assessment fees, along with statutory penalties and interest charges, to the Florida Public Service Commission. Security Telecom must comply with these requirements within five business days from the date this Order becomes final. The fine will be remitted to the Comptroller for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.516, Florida Statutes.

When the appropriate fees, statutory penalties, interest charges, and fine is received, this docket shall be closed. Should Security Telecom fail to comply with this Order within five business days from the date this Order becomes final, Security Telecom shall have its certificate canceled and the docket will be closed. The cancellation of the certificate and the closing of the docket in no way diminishes Security Telecom's obligation to pay applicable delinquent regulatory assessment fees, statutory penalties, and interest charges.

Should Security Telecom's certificate be canceled, all certificated interexchange carriers in the State of Florida are instructed to discontinue service to Security Telecom, pursuant to Rule 25-24.4701(3), Florida Administrative Code, Provision of Regulated Telecommunications Service to Uncertificated Resellers Prohibited. Any certificated interexchange carriers providing

service to Security Telecom must contact the Commission at the conclusion of the response period indicated herein in order to determine if Security Telecom's certificate has been canceled.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Security Telecom Corporation must pay the past due regulatory assessment fees, statutory penalties, interest charges, and a \$500 fine to the Florida Public Service Commission for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, within five business days from the date this Order becomes final. The fine will be transmitted to the Comptroller for deposit in the State of Florida General Revenue Fund. It is further

ORDERED that should Security Telecom Corporation fail to comply with this Order, Security Telecom Corporation's certificate shall be canceled, and the docket shall be closed. It is further

ORDERED that the cancellation of the certificate and the closing of the docket in no way diminishes Security Telecom Corporation's obligation to pay applicable delinquent regulatory assessment fees, statutory penalties, and interest charges. It is further

ORDERED that all certificated interexchange telecommunications providers shall discontinue service to Security Telecom Corporation upon verification of the cancellation of the certificate at the conclusion of the response period set forth in this Order. It is further
