ORDER SUSPENDING PROPOSED TARIFF

On August 20, 1997, Florida Power & Light (FPL) filed a
petition to add a lump sum payment option to its facilities rental
provision and facilities rental agreement tariffs, tariff sheet
nos. 9.750, 9.751, and 10.010. FPL's proposition sought to add a
one-time payment option for rental facilities in conjunction with
its current monthly rental fee.

Our investigation into the methodology FPL proposes to use in
calculating the amounts of the one-time payments is ongoing.
Because of this, we find that the tariff should be suspended to
allow additional time for discovery. Meanwhile, this docket should
remain open until we either approve or deny the tariffs FPL
proposes in this docket.

Based on the foregoing, it is

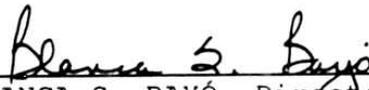

ORDERED by the Florida Public Service Commission that the
addition of a lump sum payment option tariff to its facilities
rental provision and its facilities rental agreement proposed by
Florida Power & Light be suspended. It is further

ORDERED that if a protest is filed in accordance with the
requirements set forth below, the tariff shall remain in effect
with any increase in revenues held subject to refund pending
resolution of the protest.
