BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Application for
certificates to provide water
and wastewater service in Clay
County by Point Water and Sewer,
Inc.

DOCKET NO. 961321-WS
ORDER NO. PSC-97-1612-PCO-WS
ISSUED: December 23, 1997

THIRD ORDER EXTENDING TIME FOR FILING DEPOSITION TESTIMONY

On November 4, 1996, Point Water and Sewer, Inc. (PWS or utility), filed an application for certificates to provide water and wastewater service in Clay County. On November 19, 1996, the Point Property Owners Association, Inc. (PPOA), objected to PWS's application. Accordingly, the matter was scheduled for a customer service hearing on July 31, 1997, and a hearing on August 1, 1997. A prehearing conference was held on July 8, 1997, during which a ruling was made permitting PWS to file, within ten days, the deposition testimony of two adverse witnesses, Ms. Lori Easterling and Mr. Frank Kasper.

By Order No. PSC-97-0888-PCO-WS, issued July 28, 1997, the parties' Joint Emergency Motion for Continuance of the hearing was granted. Also granted by that Order was the parties' request for an extension of time for PWS to file the testimony of the above-named adverse witnesses by August 15, 1997. Any intervenor and/or staff witness testimony in response thereto was ordered to be filed by August 29, 1997.

In order to give the parties more time in which to focus on their ongoing settlement negotiations, by Orders Nos. PSC-97-0954-PCO-WS, issued August 11, 1997, and PSC-97-1090-PCO-WS, issued September 19, 1997, joint motions of the parties were granted, extending the time for the utility to file the above-referenced deposition testimony and consequently, for the filing of intervenor and/or staff testimony in response thereto. By Order No. PSC-97-1090-PCO-WS, those deadlines are currently set at December 15, 1997, for the filing of the adverse witness testimony, and December 29, 1997, for the filing of any intervenor and/or staff testimony in response thereto.

On December 17, 1997, the parties filed another Joint Motion for Continuance of the deadlines for filing the above-described testimony, and on December 19, 1997, they filed an Amended Joint

Motion for Continuance. Again the parties state that their ongoing settlement negotiations will not be completed prior to the current filing deadlines and that taking the depositions prior to the time that formal negotiations are attempted would not be cost effective or conducive to facilitating a settlement. They request that the deadline for PWS to file the deposition testimony of Ms. Easterling and Mr. Kasper be extended through and including February 15, 1998, and that the date for filing intervenor and/or staff testimony in response thereto be extended through and including March 1, 1998.

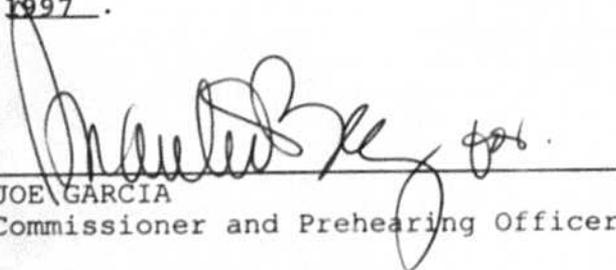

Having been advised of the progress being made towards settlement of this matter, I find it appropriate to grant the amended motion. Therefore, PWS shall file any adverse deposition testimony of Ms. Lori Easterling and/or Mr. Frank Kasper by February 15, 1998. Any intervenor or staff testimony in response thereto shall be filed by March 1, 1998.

Based on the foregoing, it is

ORDERED by Commissioner Joe Garcia, as Prehearing Officer, that the Amended Joint Motion for Continuance of Point Water and Sewer, Inc., and the Point Property Owners Association, Inc., is hereby granted. It is further

ORDERED that the adverse witness testimony of Ms. Lori Easterling and Mr. Frank Kasper shall be filed by February 15, 1998, and any intervenor and/or staff testimony shall be filed in response thereto by March 1, 1998.

By ORDER of Commissioner Joe Garcia, as Prehearing Officer, this 23rd day of December, 1997.

JOE GARCIA
Commissioner and Prehearing Officer

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
