DOCKET NO. 050001-EI  
ORDER NO. PSC-05-0979-PCO-EI  
ISSUED: October 12, 2005

ORDER GRANTING MOTION FOR TEMPORARY PROTECTIVE ORDER

On September 12, 2005, Progress Energy Florida, Inc. (PEF) filed a Motion for Temporary Protective Order, pursuant to Rule 25-22.006(6), Florida Administrative Code, covering certain confidential documents that have been requested by the Office of Public Counsel (OPC). No party filed a response to PEF's motion.

PEF states that OPC has requested to review unredacted copies of the confidential FPSC Form 423 Fuel Reports submitted by PEF in this docket to date. PEF states that the documents that OPC has requested have been granted confidential classification by Order Nos. PSC-05-0418-CFO-EI, issued April 19, 2005; PSC-05-0446-CFO-EI, issued April 26, 2005; PSC-05-0632-CFO-EI, issued June 10, 2005; Order No. PSC-05-0883-CFO-EI, issued August 31, 2005; Order No. PSC-05-0880-CFO-EI, issued August 31, 2005; and Order No. PSC-05-0876-CFO-EI, issued August 31, 2005. PEF asserts that it is seeking protection of the documents as provided in Section 366.093(2), Florida Statutes, and Rule 25-22.006(6), Florida Administrative Code.

Rule 25-22.006, Florida Administrative Code, in pertinent part, states:

(6)(c) When a utility or other person agrees to allow Public Counsel to inspect or take possession of utility information for the purpose of determining what information is to be used in a proceeding before the Commission, the utility may request a temporary protective order exempting the information from section 119.07(1), F.S. If the information is to be used in a proceeding before the Commission, then the utility must file a specific request for a protective order under paragraph (a) above. If the information is not to be used in a proceeding before the Commission, then Public Counsel shall return the information to the utility in accordance with the record retention requirements of the Department of State.

Upon consideration, PEF's Motion for Temporary Protective Order of its FPSC Form 423 Fuel Reports submitted in this docket to date, is granted. I find that PEF has demonstrated that the material requested by OPC appears to be proprietary confidential business information. Accordingly, this information will be protected from disclosure pursuant to Rule 25-22.006(6), Florida Administrative Code. As provided in Order No. PSC-05-0281-PCO-EI, issued March 15, 2005, the Order Establishing Procedure for this docket, OPC is required to provide PEF and all other parties seven days notice of its intent to use any confidential information at the hearing.

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of the Commission Clerk and Administrative Services, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
