PUBLIC SERVICE COMMISSION

RULE NO.: RULE TITLE:

25-6.003 Definitions

PURPOSE AND EFFECT: To update and clarify the rule following the statutory rule review mandated by Section 120.5435, F.S. Docket No.: 20260040-OT

SUMMARY: The amendments to Rule 25-6.003, F.A.C., delete reference to materials incorporated by reference that are no longer relevant, and update and clarify the rule language.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

The SERC can be viewed in its entirety on the Commission's website at <https://www.floridapsc.com/pscfiles/library/filings/2026/03298-2026/03298-2026.pdf>.

The SERC examined the factors required by Section 120.541(2), F.S., and concluded that the proposed rule will not likely increase regulatory costs, including any transactional costs or have an adverse impact on business competitiveness, productivity, or innovation in excess of \$1 million in the aggregate within five years of implementation. The proposed rule would have no impact on small business, would have no implementation cost to the Commission or other state and local government entities, and would have no impact on small cities or counties.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: based upon the information contained in the SERC.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
