ORDER SUSPENDING TARIFF

BY THE COMMISSION:

Background

On July 1, 2026, Peoples Gas System, Inc. (Peoples) filed a petition to implement its 2027 Subsequent Year Adjustment (SYA) pursuant to its 2025 rate case Settlement Agreement (settlement). We previously approved the settlement in Order No. PSC-2025-0413-S-GU (2025 Order).¹ The SYA provisions of the settlement and 2025 Order provide for an increase in base rates and charges to reflect the 2027 SYA amount of \$25 million, effective with the first billing cycle of January 2027.² In this petition, Peoples' proposed tariffs implement the \$25 million SYA using the cost recovery revenue allocation of the settlement and the billing determinants for 2027 that the company will use to develop its cost recovery clause and rider factors.³

This order is to suspend the proposed tariffs. We have jurisdiction over this matter pursuant to Sections 366.03, 366.04, 366.05, and 366.06, Florida Statutes (F.S.).

Decision

The proposed tariffs shall be suspended to allow Commission staff sufficient time to review the petition and gather all pertinent information in order to present us with an informed recommendation on the tariff proposals. Pursuant to Section 366.06(3), F.S., we may withhold consent to the operation of all or any portion of a new rate schedule, delivering to the utility requesting such a change a reason or written statement of good cause for doing so within 60

days. We find that the reason stated above is a good cause consistent with the requirement of Section 366.06(3), F.S.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Peoples Gas System, Inc.'s proposed tariff revisions are hereby suspended. It is further
