ORDER AMENDING CERTIFICATES TO INCLUDE  
ADDITIONAL TERRITORY AND CLOSING DOCKET

BY THE COMMISSION:

On March 26, 1990, Sunray Utilities, Inc. (Sunray or Utility) filed an application with this Commission to amend Certificates Nos. 502-W and 436-S to include additional territory in Nassau County, Florida. The application is in compliance with Section 367.045, Florida Statutes, and other statutes and administrative rules concerning an application for amendment of certificate. In particular, the notarized application contains:

- 1) A filing fee in the amount of \$300, as prescribed by Rule 25-30.020, Florida Administrative Code.
- 2) Adequate service territory and system maps and a territory description, as prescribed by Rule 25-30.035, Florida Administrative Code. The additional territory in Nassau County is described in Attachment A of this Order.
- 3) Proof of notice of application to all interested governmental and regulatory agencies and all utilities within a four-mile radius of the territory, and proof of advertisement in a newspaper of general circulation in the county, as prescribed by Rule 25-30.030, Florida Administrative Code.
- 4) Evidence that the Utility owns the land upon which the utility's facilities are located as required by Rule 25-30.035, Florida Administrative Code.

No objections to the notice of application have been received and the time for filing such has expired.

Since Sunray has been in operation under our jurisdiction since 1988, and has been providing satisfactory service to its customers, we believe that the Utility has demonstrated its ability to provide service to the additional territory. Therefore, we find that it is in the public interest to amend
