RE: Annual Pay Telephone Report

Following our telephone conversation on April 25, 1991, concerning the service report from Noah's Ark, I spoke to Pam Austin, as you suggested.

I explained to her, as I did to you, that we were not aware of a required report and had not received any to be filed. Pam immediately sent me a form which I returned the day received.

Today we received a certified letter from your office. I immediately phoned your office, and finding you not there, I spoke to a Miss Flynn. She advised that I write to you, explaining that we did indeed send in the report.

I enclose a copy of the report sent. Please call us if this is not satisfactory. We are not a big business, but just a mission type Christian center. Our phone is used by the senior citizen winter visitors and we make no money on it. It is quite the opposite, to be exact.
