ORDER GRANTING EXTENSION OF TIME

By Order No. 25617, issued on January 21, 1992, the Commission required Southern Bell Telephone and Telegraph Company (Southern Bell or the Company) to file traffic studies for certain routes in Washington County by March 21, 1992. On March 19, 1992, pursuant to Rule 25-22.037, Florida Administrative Code, Southern Bell filed a Motion for Extension of Time (Motion) in which to file the required traffic studies. Southern Bell argues that it has encountered several delays in data processing which necessitate a thirty day extension of time until April 20, 1992. It is the Company's view that the extension will not prejudice any party and will facilitate a reasoned, informed decision by this Commission.

The Motion has not been opposed.

Upon review, Southern Bell's Motion is granted. The traffic studies required by Order No. 25617 shall be filed by April 20, 1992.

Based upon the foregoing it is

ORDERED by Commissioner Susan F. Clark, as Prehearing Officer, that Southern Bell Telephone and Telegraph Company's March 19, 1992, Motion for Extension of Time is hereby granted as set forth in the body of this Order.

By ORDER of Commissioner Susan F. Clark, as Prehearing Officer, this 1st day of APRIL, 1992.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: 1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; 2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or 3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
