ORDER INDICATING NONJURISDICTIONAL STATUS  
OF MORGAN ROAD BAPTIST CHURCH AND CLOSING DOCKET

BY THE COMMISSION:

On August 25, 1992, Morgan Road Baptist Church (Church) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Morgan Road Baptist Church operates a water system located at Route 5, Box 7751 in Starke, Florida. Ms. Margie J. Lamb, Church Secretary, filed the application on behalf of the Church.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(1)(2) and (3)(j), Florida Administrative Code. According to the application, water service is provided only to the Church property, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by private septic tank.

In addition, the application form states that pursuant to Section 837.06, Florida Statutes, anyone knowingly making a false

statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Ms. Lamb acknowledged that she is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Since, based on the facts as represented, Morgan Road Baptist Church will not be providing water service to the public for compensation, we find that it is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. However, should there be any change in circumstances or method of operation, the Morgan Road Baptist Church or any successors in interest, must inform the Commission within 30 days of such change so that we may review the matter to determine whether nonjurisdictional status is still appropriate.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Morgan Road Baptist Church, Route 5, Box 7751, Starke, Florida 32091, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, Morgan Road Baptist Church or any successors in interest, shall inform this Commission within 30 days of such change so that we may re-evaluate the Church's nonjurisdictional status. It is further

ORDERED that Docket No. 920853-WU is hereby closed.

By ORDER of the Florida Public Service Commission this 10th day of December, 1992.
