ORDER INDICATING NONJURISDICTIONAL STATUS OF
COCA-COLA FOODS - CLOUD GROVE WATER SYSTEM

BY THE COMMISSION:

On December 14, 1992, Coca-Cola Foods (Coca-Cola) filed an application with this Commission for recognition of nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes, for its Cloud Grove water system. The mailing address of Coca-Cola is P. O. Box 518, Ft. Pierce, Florida 34954.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(1), (2) and (3)(j), Florida Administrative Code. Included with the application was a statement from Boyd Robertson, Principal Agricultural Engineer, that there is no charge for providing utility service; all costs of providing service are treated or recovered as operational expenses; the system provides water service only; and the service territory is limited to the grove office and mechanical shop. Wastewater service is provided by a private septic tank. Furthermore, Mr. Robertson acknowledged Section 837.06, Florida Statutes, regarding false statements.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, Florida Statutes, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Based on the facts as represented, we find that Coca-Cola Foods - Cloud Grove Water System is not a utility pursuant to
