HAND DELIVERY

RE: Docket Nos. 920655-WS and 920199-WS

Dear Mr. Tribble:

On August 13, 1993, Southern States Utilities, Inc. ("SSU") filed consolidated tariffs reflecting the final rates and charges approved for the water and wastewater systems at issue in the above-referenced dockets.¹ AFPI tariff sheets for these systems were inadvertently omitted from the August 13th filing. The AFPI tariff sheets for these systems (along with AFPI tariff sheets for systems not in Docket Nos. 920199-WS and 920655-WS reformatted to conform to the Docket No. 920199-WS systems' sheet numbering scheme) were filed on August 23, 1993.

On August 30, 1993, SSU filed Table of Contents pages for insertion in the front of the Consolidated Water and Wastewater Tariff Books.²

¹Final rates and charges in Docket No. 920655-WS remain subject to Office of Public Counsel's pending motion for reconsideration.

²Table of Contents pages for the Water Tariff Book, Sheets Nos. 7.0-9.1 reflecting the renumbering of the pages of Section V (Rate Schedules) and Section VI (Service Availability Charges); and Table of Contents pages for the Wastewater Tariff Book, Sheets Nos. 6.0-7.1 reflecting the renumbering of the pages of Section V (Rate Schedules) and Section VI (Service Availability Charges)...
