ORDER RELIEVING FLORIDA DEPARTMENT OF COMMUNITY AFFAIRS OF
REQUIREMENT TO FILE AND SERVE APPENDICES

On April 6, 1994, the Florida Department of Community Affairs (DCA) filed a motion requesting that it be relieved from the requirement that it serve all parties with separate copies of the Appendices to Report No. 7777-R8 and Report No. 7777-R3 by the Synergic Resources Corporation. As grounds for its request, DCA states that the appendices comprise thousands of pages and that most of the parties have already received either copies of the appendices or diskettes with supplemental information which were supplied by the DCA. As a substitute to serving the appendices, DCA has offered to provide copies of the computer diskette containing the appendices to any all parties requesting them. In addition, DCA has offered to make its library copies of the appendices and its copying facilities available to any and all parties.

No party to this docket has objected to DCA's proposal.

The DCA's request appears to be reasonable, given the voluminous nature of the appendices, and the large number of parties in this docket. The DCA's offer to provide copies of the computer diskette containing the appendices, and to make its library copies and copying facilities available, will insure that no party is prejudiced by not being served the appendices.

It is therefore

ORDERED that the Motion to Relieve Florida Department of Community Affairs of Requirement to File and Serve Appendices, filed by the Florida Department of Community Affairs on April 6, 1994, is hereby granted. It is further
