RE: DOCKET NO. ~~912518-GU~~ - Petition for inclusion of investment in Wewahitchka expansion project in rate base by ST. JOE NATURAL GAS COMPANY, INC.

Issue 1: Recommendation that the Commission approve St. Joe Natural Gas' petition and allow the company to include its proposed investment in its Wewahitchka Expansion Project in rate base.

APPROVED

Issue 2: Recommendation that St. Joe Natural Gas be required to file detailed costing reports with the Division of Records and Reporting. The reports should be filed every September 30. However, if the construction phase is not completed in time to file on September 30, the report should be filed 30 days after completion of that phase.

APPROVED

Docket No. 940548-GU
June 21, 1994

Issue 3: Recommendation that staff should review the filings discussed in Issue No. 2 and, if a significant deviation from the Company's projections of costs or customers is determined, this matter should then be brought before the Commission for disposition.

APPROVED

Issue 4: Recommendation that this docket remain open.
