NOTICE OF PROPOSED AGENCY ACTION
EXTENDING FILING DATE BY
FLORIDA TELECOMMUNICATIONS RELAY, INC.

BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a final proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

Background

The Telecommunication Access System Act of 1991 (TASA) became effective May 24, 1991, and is found in Chapter 427, Part II of the Florida Statutes. In Order No. PSC-94-0704-FOF-TP, issued June 8, 1994, we directed the Florida Telecommunications Relay Inc. (FTRI), to perform an incremental analysis justifying the expenditures for regional distribution centers, and to include the analysis with the FTRI 1994 Annual Report to the FPSC.

FTRI Report

On September 12, the FTRI sent a letter asking that the date for filing the information regarding the regional distribution budget line item be moved from November 1, 1994, to February 1, 1995, in order to conduct a thorough incremental cost analysis.

DOCKET NO. 910496-TP

We determined at the October 4, 1994, agenda that the filing date should be extended as requested by FTRI. In addition, we directed at that agenda that FTRI provide an analysis of the aggregate advantage of all 13 regional distribution centers versus a centralized distribution program conducted out of headquarters in Tallahassee. Also, FTRI agreed to share any previously prepared information as to why FTRI wanted to use regional centers originally and why the four original centers were selected and any adjustments needed for the continuing program. Thus, that information will be included in the February 1995 filing.

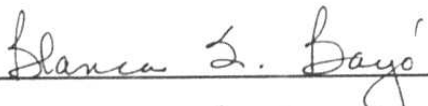

Therefore, based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the filing date for FTRI is extended until February 1, 1995, and that the above information be included in the report,

It is further

ORDERED that this docket remain open.

By ORDER of the Florida Public Service Commission, this 19th day of October, 1994.

well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

The action proposed herein is preliminary in nature and will not become effective or final, except as provided by Rule 25-22.029, Florida Administrative Code. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, as provided by Rule 25-22.029(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a) and (f), Florida Administrative Code. This petition must be received by the Director, Division of Records and Reporting, at 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on November 9, 1994.

In the absence of such a petition, this order shall become effective on the day subsequent to the above date as provided by Rule 25-22.029(6), Florida Administrative Code.

Any objection or protest filed in this docket before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this order becomes final and effective on the date described above, any party adversely affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or wastewater utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the effective date of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
